ORDER

On March 27, 2015, this court held a motion hearing in the above styled case.

Observing that the defendants' motions to dismiss [docket nos. 18, 20, 26, and 32] were filed prior to the plaintiffs' filing of an amended complaint [docket no. 39], the defendants agreed that these four motions to dismiss are moot. Accordingly, this court dismisses these motions to dismiss [docket nos. 18, 20, 26, and 32] as moot.

Also on the docket is an unopposed motion for leave to file excess pages, filed by defendant Marcus D. Gordon [docket no. 80]. Inasmuch as the motion is unopposed, this court grants the motion for leave to file excess pages.

SO ORDERED this 27th day of March, 2015.
