NOTICE OF RIGHT TO CONSENT TO TRIAL
BEFORE A UNITED STATES MAGISTRATE JUDGE

In accordance with the provisions of 28 U.S.C. § 636(c), you are hereby notified that a U.S. Magistrate Judge of this district may, upon the consent of all parties on form 1a (available in the clerk's office), conduct any or all proceedings, including a jury or non-jury trial, and order the entry of a final judgment. Counsel for the plaintiff shall be responsible for obtaining the consent of all parties, should they desire to consent.

You should be aware that your decision to consent or not to consent is entirely voluntary and should be communicated solely to the Clerk of Court. Only if all parties consent will the Judge or Magistrate Judge to whom the case has been assigned be informed of your decision.

Judgments of the U.S. Magistrate Judges are appealable only to the U.S. Court of Appeals in accordance with this statute and the Federal Rules of Appellate Procedure.

DISCOVERY CONFERENCES

In an effort to save time and expense for all litigants, this Court holds discovery dispute conferences in lieu of formal noticed motions.

Should a discovery dispute arise during the course of the litigation in this case, the following procedure is to be followed:

If a dispute arises during deposition, you are to call the Court for an immediate ruling. If the Court is unable to handle the matter at that moment, you are to proceed with the deposition and the Court will get back to you as soon as possible.

For all other discovery disputes, you are to meet and confer regarding all disputed issues before contacting the Court. If all attorneys are local, you are required to meet and confer in person. If one or all attorneys are out of town, you are to meet and confer by phone. Under no circumstances will the meet and confer requirement be satisfied by written correspondence.

After you have met and conferred, you may contact the Court for a discovery conference date. The court will not consider any discovery matter unless, and until, a declaration of compliance with the meet and confer requirement is received.

In addition to a date for a discovery conference, you will also receive a date by which you are to submit a joint discovery conference statement to the Court.

The joint statement is to include the following:

1. The exact wording of the document or things requested to be produced or the exact wording of the interrogatory or request for admission asked.
2. The exact response to the request by the responding party.
3. A statement by the propounding party as to why the documents should be produced or why the interrogatory or request for admission should be answered.
4. A precise statement by the responding party as to the basis for all objections and/or claims of privilege, including the legal basis for all privileges.

NOTICE TO ATTORNEYS:

Due to prior abuse of Chambers' Policy allowing counsel to present discovery disputes to chambers without FULL briefing, counsel shall prepare and submit points and authorities on all discovery disputes. The points and authorities shall not exceed 10 pages per side and shall be submitted along with the joint discovery conference statement. Points and Authorities exceeding 10 pages without prior approval of the court will NOT be considered by the court.

SAMPLE

REQUEST NUMBER 1:

Any and all documents referencing, describing or approving the Metropolitan Correctional Center as a treatment facility for inmate mental health treatment by the Nassau County local mental health director or other government official or agency.

RESPONSE TO REQUEST NUMBER 1:

Objection. This request is overly broad, irrelevant, burdensome, vague and ambiguous and not limited in scope as to time.

PLAINTIFF'S REASON WHY DOCUMENTS SHOULD BE PROVIDED:

This request is directly relevant to the denial of Equal Protection for male inmates. Two women's jails have specifically qualified Psychiatric Units with certain license to give high quality care to specific inmates with mental deficiencies. Each women's psychiatric Unit has specialized professional psychiatric treatment staff (i.e., 24 hour psychiatric nurses full time, psychiatric care, psychological care, etc.). Men do not have comparable services. This request will document the discrepancy.

DEFENDANT'S BASIS FOR OBJECTIONS:

This request is not relevant to the issues in the case. Plaintiff does not have a cause of action relating to the disparate psychiatric treatment of male and female inmates. Rather, the issue in this case is limited to the specific care that Plaintiff received.

Should the Court find that the request is relevant, defendant request that it be limited to a specific time frame.
