Case No.: 13-CV-01831 BTM (WMc)
CLASS ACTION – Related to

ORDER

Having read and considered the Plaintiffs’ Motion and Defendant’s Notice of Non-Opposition, and for good cause appearing, the Court hereby finds that the Notice of Settlement approved by the Court (and disseminated to disability rights organizations and posted on the www.Chipotle.com website) in the related case of *Antoninetti, et al. v. Chipotle Mexican Grill, Inc.*, USDC Case No. 06 CV 2671 BTM (WMc) (Doc. No. 174), adequately protected the claims of the putative class members in this case such that its dismissal without prejudice will not infringe upon the rights of putative class members. Accordingly, it is hereby

ORDERED that any joint motion for consolidation of the *Perkins* and *Antoninetti* cases and for dismissal shall be filed within seven calendar days. A copy of the global settlement agreement shall be provided to the Court along with any such motion.
