02/25/2013	<u>212</u>	ORDER by Judge Consuelo B. Marshall, re MOTION for Partial Summary Judgment <u>179</u> . The Court is not persuaded by the City's cases, as those relate to Section 504 as a whole, rather than specifically to facilities constructed prior to 1977. The Court therefore finds that no undue burden defense exists as to pedestrian rights of way, sidewalks, and curb ramps that were constructed prior to and that have not been altered since June 3, 1977, and therefore constitute existing facilities under Section 504 of the Rehabilitation Act. The City may not assert its Seventh and Fifty-Fourth Affirmative Defenses related to undue financial burden as to those facilities. The Court GRANTS the Motion but denies without prejudice any request to preclude evidence that may be used for multiple purposes. The Court GRANTS Plaintiffs' Request for Judicial Notice in Support of Plaintiffs' Reply in Support of Motion for Partial Summary Judgment and the City of Los Angeles's Request for Judicial Notice in Support of Its Opposition to Plaintiffs' Motion for Partial Summary Judgment.
