06/10/2014	<u>208</u>	ORDER GRANTING MOTION FOR PRELIMINARY APPROVAL OF THE SETTLEMENT AGREEMENT granting <u>194</u> Motion for Settlement. Having read the papers submitted and carefully considered the arguments and relevant legal authority, and good cause appearing, the Court GRANTS Plaintiffs' Motion for Preliminary Approval of the Settlement Agreement. NOW, THEREFORE, IT IS HEREBY ORDERED that: The Court hereby preliminarily approves the Settlement Stipulation. The Court finds on a preliminary basis that the Settlement Stipulation is fair, adequate, and reasonable to all potential class members, as well as industry third–parties. It further appears that extensive evaluation of the merits has been conducted such that the attorneys for the Parties are able to reasonably evaluate their respective positions. It also appears to the Court that settlement at this time will avoid substantial additional costs to all Parties, as well as avoid the delay and the risks presented by further litigation regarding issues addressed by the Settlement Stipulation, attached as Exhibit A to the Declaration of Sid Wolinsky in Support of the Motion for Preliminary Approval of the Settlement Agreement. It further appears that the Settlement Stipulation has been reached as the result of intensive, prolonged, serious, and non–collusive arms–length negotiations, including multiple in–person and telephonic settlement sessions. The Court hereby approves, as to form and content, the proposed Notice, attached as Exhibit B to the Declaration of Sid Wolinsky in Support of the Motion for Preliminary Approval of the Settlement Agreement. The Court finds that the distribution of notice in the manner and form set forth therein, with the following additions set forth below, meets the requirements of both due process and Rules 23(c)(2) and 23(e) of the Federal Rules of Civil Procedure. This notice is the best practicable under the circumstances, and shall constitute due and sufficient notice to all persons entitled thereto. The Parties shall submit declarations to the Court as a part of the motion for Final Approval confirming compliance with the notice provisions; as set forth herein. August 29, 2014: Plaintiffs shall file a motion for final approval of the Settlement Stipulation. Both parties shall file statements of compliance with the applicable notice requirements. November 7, 2014: Class Counsel will file a motion for approval of attorneys' fees and costs if the parties have been unable to successfully negotiate this matter. (Signed by Judge George B. Daniels on 6/10/2014) (mro) (Entered: 06/10/2014)
