(Entered: 04/01/2014)
04/01/2014	<u>28</u>	ORDER: On March 31, 2014, Defendants filed a motion to dismiss the complaint under Rule 12(b) of the Federal Rules of Civil Procedure. Under Rule 15(a)(1)(B), a plaintiff has twenty-one (21) days after the service of a motion under Rule 12(b) to amend the complaint once as a matter of course. Accordingly, it is hereby ORDERED that plaintiff shall file any amended complaint by April 21, 2014. Plaintiff will not be given any further opportunity to amend the complaint to address issues raised by the motion to dismiss. If plaintiff does amend, by three (3) weeks after the amended complaint is filed, defendant shall: (1) file an answer; (2) file a new motion to dismiss; or (3) submit a letter to the Court, copying plaintiff, stating that it relies on the previously filed motion to dismiss. If defendant files an answer or a new motion to dismiss, the Court will deny the previously filed motion to dismiss as moot. Pursuant to the Case Management Plan (Docket No. 14) and the Endorsed Letter of March 19, 2014 (Docket No. 22), it is further ORDERED that, if no amended complaint is filed, plaintiff shall serve any opposition to the motion to dismiss by April 21, 2014. Defendant's reply, if any, shall be served by April 30, 2014. At the time any reply is served, the moving party shall supply the Court with one courtesy hard copy of all motion papers by mailing or delivering them to the United States Courthouse, 40 Centre Street, New York, New York. Finally, the parties are reminded that discovery is not stayed pending a ruling on the motion. (Signed by Judge Jesse M. Furman on 4/1/2014) (mro) (Entered: 04/02/2014)
04/01/2014		Set/Reset Deadlines: Amended Pleadings due by 4/21/2014. (mro) (Entered: 04/02/2014)
04/02/2014	29	ORDER denying <u>23</u> and <u>27</u> Letter Motions for Local Rule 37.2 Conference. There is no need for a conference to address the parties' disputes as Plaintiffs' objections to the proposed releases are overruled. Defendants are entitled to the medical and mental health records they seek as Plaintiffs have put the medical and mental health of the student Plaintiffs directly into issue. The fact that Plaintiffs seek only "garden variety" damages is of no moment, as Defendants are entitled to the records to contest liability. And any privacy interests are adequately addressed by the protective order that is in place. (Docket No. 17). With respect to Plaintiffs' remaining objections – to the releases for certain Plaintiffs' private school and private evaluation records and ACS records – Plaintiffs have not invoked any privilege, but appear to challenge only the relevance of such records. Given the broad definition of relevance for purposes of discovery, those objections are without merit. Again, any privacy concerns are adequately addressed by the protective order. For the foregoing reasons, Plaintiffs' objections are overruled, and they are ordered to provide the releases at issue within one week of this Order. (HEREBY ORDERED by Judge Jesse M. Furman)(Text Only
