03/30/2000	33	ORDER Re: Discovery by Judge Susan Illston. On 3/16/00, plaintiffs filed a letter brief requesting that the Court order defendants to comply with plaintiffs' document requests and interrogatories by a date certain. Defendants have offered to make some documents available for on site review on 3/23 and 3/24/00; to respond to plaintiffs'

		requests by 3/22/00; and to respond plaintiffs' interrogatories by 3/31/00. Given defendants' promise to offer a complete response by 3/31/00, it appears that plaintiffs' request is now moot. It is therefore DENIED. To the extent that plaintiffs object to defendants' limitation of the time period for document review to two days or are dissatisfied with defendants' responses to their document requests and interrogatories, the parties should meet and confer about their disagreements and then, if rulings on any outstanding disputes are necessary, file letter briefs with the Court at that time.
