Phil Lombardi, Clerk
U.S. DISTRICT COURT

ORDER FOR CLASS ACTION CERTIFICATION

After consideration of the question of Class Action Certification, the Court finds that Plaintiffs have met all of the applicable requirements of Fed. R. Civ. Proc. 23(a) and that the class is properly certified under Fed. R. Civ. Proc. 23(b)(2). Based upon the foregoing, and good cause appearing therefore, the Court finds that the case should proceed as a Class Action case and that the class should be defined as stated below.

It is, therefore, hereby ORDERED that the above-captioned action is certified as a class defined as follows:

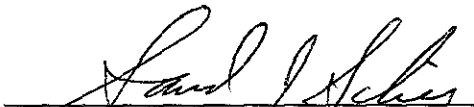

8

All present and future female students enrolled at Claremore Public Schools who participate, seek to participate, or are deterred from participating in interscholastic and other school-sponsored athletics at Claremore Public Schools.

It is further ORDERED that Plaintiffs need not provide any formal notice to any members of the certified class.
