ORDER

With the understanding that plaintiffs are pursuing only traditional Title VII, § 1981, etc., claims, and are not seeking enforcement of the Frazer injunction, it is ORDERED that the defendants' motion for summary judgment (Doc. No. 701) is denied. With this order the court does not resolve class-certification issues and whether certain claims should be pursued in separate litigation

DONE, this the 3rd day of May, 2005.
