06/27/2006	141	ORDER. The Court held a conference call with the parties on June 27, 2006. The Court ruled that Defendants may file one motion for summary judgment directed at the Title VII claims of both complaints, and a second motion for summary judgment directed at the remaining claims asserted by the individual plaintiffs. The Court will consider requests for additional pages if they are reasonable and if the briefs have been written efficiently. The Court also ruled that the supplemental reports provided by defense and plaintiff experts after the deadline for disclosure of expert reports are untimely and may not be used by the parties in this case. Signed by Judge David G Campbell on 6-27-06. (DGC)This is a text-only order; there is no corresponding.pdf document. (Entered: 06/27/2006)
