06/02/2003		PLACED IN FILE - NOT USED stipulation re proceedings on plaintiff's claim for attorneys' fees and costs; order thereon (bg) (Entered: 06/03/2003)
06/02/2003	<u>55</u>	MINUTES: Plaintiffs have had ample opportunity to pursue and present evidence in support of their application, and they have failed to demonstrate that the testimony they seek to present concerns disputed issues of fact that have been properly raised in declarations or documentary evidence on file with the court. Accordingly, the court denies plaintiffs' request to present witness testimony at the hearing on June 9, 2003. Because it has determined that plaintiffs' attempt to conduct discovery at this stage is untimely, and because it has denied plaintiffs' request to present witnesses at the hearing, the court grants the City's ex parte application to quash the subpoenas. Plaintiffs may, however, file declarations from the three intervening plaintiffs who have yet to provide a declaration -Richard Abad, Christopher Montoya and Isais Ornelas - on or before June 4, 2003 by Judge Margaret M. 08/05/2003	<u>65</u>	MINUTES: Order appointing Richard A Rothschild as Special Master to determine LaLey's attorneys' fees in connection with contempt motion pursuant to Consent Decree. The parties are directed to contact Mr Rothschild within ten days to establish an appropriate briefing schedule and hearing date by Judge Margaret M. Morrow CR: N/A (bg) (Entered: 08/07/2003)
08/06/2003		PLACED IN FILE – NOT USED proposed order on plaintiffs' joint ex parte request for clarification of order directing parties to submit proposed modification of portions of consent decree re supervisory cross-training program (bg) (Entered: 08/07/2003)
08/11/2003	<u>66</u>	ORDER by Judge Margaret M. Morrow granting motion for enforcement of the Ord of the Crt-appointed monitor under consent decree [18-1] For the reasons stated, the court finds that the City violated its obligations under paragraphs 26, 27 and 36 in connection with its administration of the 2000-2002 Promotion List for the position of Sergeant I. Because the record is not adequate to permit the framing of an appropriate remedial order, the court refers the matter to Judge dash to oversee a period of limited discovery on the issue of the appropriate remedy that should be ordered. Once Judge Dash has issued his order, any party dissatisfied with it may seek to review in this court. The record for any such proceeding will be limited to the matters placed in evidence before Judge Dash (bg) (Entered: 08/12/2003)
10/02/2003	<u>67</u>	MINUTES: In their opposition, the intervening plaintiffs request leave to file additional briefing if the Court determines that the issues presented by Defendant are appropriate for ruling on an ex parte basis. The City's letter sufficiently identifies the issues actually raised in the ex parte application, and the intervening plaintiffs sufficiently addressed those issues in their opposition to the application. The Court is therefore not in need of additional briefing, and the intervening plaintiffs' request for leave to file such briefing is denied; granting ex parte application for order striking Intervenors' motion for attorneys fees, finding the ex parte application for order staying proceedings on said motion moot. denying ex parte application for order extending appeal period on motion to the court to re-tax costs until five days after the court has made a determination as to intervening plaintiffs' motion for attorney's fees or in the alternative, intervening plaintiffs' motion to re-tax costs under Local Rule 54-9; striking motion for award of attorney fees and expenses by Judge Margaret M. Morrow CR: N/A (bg) (Entered: 10/03/2003)
10/16/2003	<u>68</u>	MINUTES: Order clarifying authority of Special Master. Accordingly, the court clarifies its direction to Special Master Rothschild to indicate that he may consider any request by LaLey for fees incurred in "monitoring and implementation" of the consent decree that led to the filing of the contempt motion. The court expresses no opinion as to whether such fees should be awarded, or on any aspect of the merits of LaLey's request by Judge Margaret M. Morrow CR: N/A (bg) (Entered: 10/17/2003)
11/04/2003	<u>76</u>	MINUTES OF IN CHAMBERS ORDER REGARDING PAYMENT For Monitoring by Judge Margaret M. Morrow : On 8/25/1992, Judge Tashima entered a judgment and order approving a consent decree between plaintiffs and defendant City of Los Angeles. In 7/2002, several members of the plaintiff class filed a motion alleging that the City had violated the provisions of the consent decree. (See Minute Order for further details) For the foregoing reasons, the court finds that the City is responsible for the payment of any fees associated with proceedings before Judge Dash that are required to by the court's 8/12/2003 order. (yl,) (Entered: 01/31/2005)

11/10/2003	69	MEMORANDUM OF POINTS AND AUTHORITIES IN OPPOSITION by plaintiff Latin Ameri Law to City of Los Angeles' motion for reconsideration or in the alternative for clarification of the August 12, 2003 order (bg) (Entered: 11/14/2003)
11/14/2003	<u>70</u>	MINUTES: Order Re: ex parte application for order (1)extending time in which to file reply papers in support of motion for reconsideration and (2) continuance of hearing date. Having reviewed the City's application and the intervening plaintiffs' opposition, the court extends the time by which the City must file any reply in support of its motion for reconsideratrion to Wednesday, November 19, 2003. It requests that counsel deliver a conformed courtesy copy to chambers in the Roybal Building on the day of filing. The court denies the City's request to continue the hearing on its motion to a later date. by Judge Margaret M. Morrow CR: N/A (bg) (Entered: 11/17/2003)
12/02/2003		PLACED IN FILE – NOT USED proposed order (bg) (Entered: 12/03/2003)
07/07/2004	<u>71</u>	ORDER by Judge Margaret M. Morrow denying defendant City of Los Angeles MOTION for reconsideration or alternatively clarification of 8/12/03 order.(bg,) (Entered: 07/08/2004)
07/07/2004	<u>72</u>	MINUTES OF Proceedings: Order by Judge Margaret M Morrow denying Motion for Reconsideration. Because plaintiffs presented no additional authorities, evidence or written argument regarding the issue, the record necessary to decide the point remains undeveloped. Accordingly, the court declines to reconsider this aspect of its 8/12/03, order before referring the matter to Judge Dash. Accordingly, the court refers the matter to Judge Dash to conduct the proceedings outlined in the 8/12/03, order, and to recommed an appropriate remedy. Court Reporter: Not Present. (bg,) (Entered: 07/09/2004)
11/23/2004	<u>73</u>	STIPULATION AND ORDER by Judge Margaret M. Morrow that The Oscar Joel Bryant Foundation is hereby certified as representative plaintiff for the African American Plaintiff Class in this action. (jp,) (Entered: 12/01/2004)
11/23/2004	<u>74</u>	STIPULATION AND ORDER by Judge Margaret M. Morrow that the Court extends the time for Judge Dash to issue a remedial order from November 1, 2004 to April 15, 2005. (jp,) (Entered: 12/01/2004)
01/26/2005	<u>75</u>	MINUTES OF IN CHAMBERS ORDER by Judge Margaret M. Morrow : On 9/23/2003, the parties filed a joint request for an order clarifying which of them was responsible for paying Judge Dash's fees and expenses. The Court prepared a minute order dated 11/4/2003. In response to this request. Based upon statements in a recent filing by the parties, it appears that the 11/2003 minute order was never processed and filed. Accordingly, the court directs that it be filed and mailed to the parties forthwith. (yl,) (Entered: 01/31/2005)

03/22/2010	<u>89</u>	FINAL ORDER by Judge Margaret M. Morrow: denying 270 Motion for further extension of the consent decree. The terms of the consent decree will cease to be enforceable against the City after 11:59 p.m. on March 22, 2010. The court notes that paragraph 38 of the decree requires that the court retain jurisdiction over the consent decree until such time as the City files and the court grants a petition for relief. The court agrees with the City that because the decree will expire by its own terms, it is unclear what paragraph 38 means when it states that the court shall retain jurisdiction over the consent decree until the City's final petition for relief has been granted. Because, as amended by Judge Tashima, paragraph 38 has an uncertain meaning, and in order to avoid any appellate issues, the court directs the City to prepare and file such a final petition for relief from the consent decree no later than March 29, 2010. The petition shall be accompanied by a proposed order. (rrey) (Entered: 03/22/2010)
