Re: **Frank Ricci v. John DeStefano, Docket No: 3:04CV01109 (MRK)**

Dear Mr. Ghilardi:

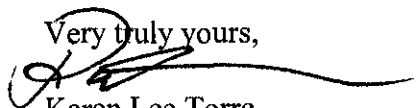

This is a follow-up to our teleconference of this morning regarding the above-captioned case. As I indicated, pursuant to a teleconference this morning between Court and counsel, it was agreed that until such time as there may be a further order of the Court, certain identified material in the court record needs to be placed under seal.

On December 19, 2005, plaintiffs submitted to the Clerk's Office six bound volumes of exhibits. Volumes III and VI were filed under seal at that time. I should appreciate your checking to ensure that both these volumes have been segregated and sealed in case one or more clerks overlooked the notice contained on the covers of the volumes.

In the wake of this morning's conference, Volume V of the Plaintiffs' Exhibits now needs to be sealed. In addition, Exhibit 43 of Volume I needs to be sealed. To facilitate this, you will find enclosed a sealed envelope containing Exhibit 43. I will appear at the Clerk's Office today for the purpose of removing Exhibit 43 from Volume I on record in the Clerk's Office.

I thank you for your attention and cooperation in this matter.

Very truly yours,

Karen Lee Torre
