ORDER

Intervening Plaintiff's motion to compel granted in part and denied in part. Defendant's objection to production of applications for all positions at Priester is sustained. Objection is sustained to Request No. 10 also, but Defendant will provide data concerning hours worked by each line service employee; the court will deem admitted Plaintiff's allegation that Plaintiff Stops would have been eligible for the maximum starting pay and maximum pay increase paid any employee in the line service position in the years in question. Defendant's objection to Request No. 25 is sustained, but Defendant will produce audited income statement and balance sheet for 1995, 1997 and 1999. The court sustains Defendant's objection to Interrogatory No. 16; the court does not recognize a need for the addresses and telephone numbers of 250 employees in line service positions, as this case is focused on steering in hiring decisions, not on terms and conditions of employment.
