11/06/2001	<a href="#">251</a>	MINUTE ORDER of 11/6/01 by Hon. Matthew F. Kennelly: For the reasons set forth on the reverse of this order the court awards defendant one-half of \$23,313.11, or \$11,656.56. Due to the potential for hardship if each plaintiff were fully liable for this amount, costs are to taxed in equal shares against each of the 14 plaintiffs, meaning that each plaintiff is individually liable for \$832.61. Enforcement of the cost award is stayed pending issuance of the Court of Appeals' mandate. The share of any plaintiff who fails to pay the amount due within 30 days after issuance of the mandate will be deemed the joint and several responsibility of the remaining plaintiffs. 06/14/2002	<a href="#">259</a>	MINUTE ORDER of 6/14/02 by Hon. Matthew F. Kennelly : Plaintiffs' motion for clarification of order awarding costs is granted [256-1]. The court dismissed the case for lack of jurisdiction; the Court of Appeals agreed with the court's reasoning but ruled that we should have stayed the case pending arbitration rather than dismissing it. Our cost award was permitted on 28 USC 1919, which authorizes imposition of costs when a case is dismissed for lack of jurisdiction. The simple fact is that in light of the Court of Appeals' ruling, the case is no longer "dismissed," thus an award of costs under section 1919 is no longer appropriate. If, as defendants predict, the case does not survive the arbitration proceedings, they can so advise the court at the appropriate time, and it may

		then be appropriate to dismiss the case and award costs. But for present purposes, the order awarding costs is vacated. Mailed notice (yp) (Entered: 06/18/2002)

The parties are directed forthwith to take the steps necessary to impanel an arbitrator or arbitrators to hear this matter.
