10/16/2000	<u>767</u>	MINUTE ORDER of 10/16/00 by Hon. Philip G. Reinhard: The court has received the Magistrate Judge's Report and Recommendation dated September 7, 2000, as well as defendants' response. The court has made a de novo determination on the record of the Magistrate Judge's disposition of consolidated plaintiffs' motion for sanctions, and accepts the Report and Recommendation in accordance with Fed.R.Civ.P. 72(b); see also 28 U.S.C. section 636(b)(1)(A). The court returns the matter to the Magistrate Judge to hold a hearing to determine "the reasonable expenses, including attorney's fees" caused by defendants' failure to comply with the Magistrate Judge's orders. Fed.R.Civ.P. 37(b)(2). The court specifically finds the failure was not substantially justified or that other circumstances exist which make the award of expenses unjust. See id.
