UNITED STATES of America  
v.  
CADDO PARISH BOARD of EDUCATION.

Civ. A. No. 94-0155. | July 10, 1995.

**Opinion**

***ORDER***

WALTER, District Judge.

\*1 Pending before this Court is defendant's ("the Board") appeal of the magistrate's ruling on plaintiff's motion to compel. The Board appealed the order that defendant disclose the salaries of its principals and assistant principals. In its response to the appeal, the government withdrew its request for the contested salary information. Thus, the appeal is now MOOT.
