03/08/2007	<u>11</u>	ENDORSED LETTER addressed to Judge Gerard E. Lynch from Rosalind Fink dated 3/7/2007 re: request that defts' motion to dismiss this new complaint or compel arbitration be stayed until after the Second Circuit has ruled on Ms. Cronas' appeal from this Court's order denying intervention. Endorsement: Denied. First, the issues raised in the motion will have to be resolved in any case, regardless of their Second Circuit's action on the appeal. Second, trial in Hnot is going foward in June. There is no particular reason to expect the Circuit will rule before then, and certainly no reason to expect that the Circuit will rule sufficiently for in advance of trial that this Court can afford to take a leisurely approach to the resolution of the present issues. Therefore, the application for a stay and the alternative application for an extention of the briefing schedule are both denied. SO ORDERED. (Signed by Judge Gerard E. Lynch on 3/8/2007) (jar) (Entered: 03/09/2007)
