Documents that have been entered into the minutes of the County Clerk bear a stamp stating "Filed," followed by the date of filing (entry date) and the words "New York County Clerk's Office." Except in matrimonial cases (documents for which are not included in Scroll) and electronically-filed cases, judgments are not entered by the County Clerk until an attorney for a party to the case appears at the Judgment Clerk's desk (Rm. 141B at 60 Centre Street) and requests entry. In hard copy cases, copies of unfiled judgments bearing a stamp stating "Unfiled Judgment" and a notice to counsel may be found in Scroll shortly after signing. Once the judgment has been entered in such a case, it will be posted to Scroll as well. For technical reasons, some long form orders or other documents that were scanned in the early phase of this project may be categorized here as a "Decision."

Documents that have been entered into the minutes of the County Clerk bear a stamp stating "Filed," followed by the date of filing (entry date) and the words "New York County Clerk's Office." Except in matrimonial cases (documents for which are not included in Scroll), judgments are not entered by the County Clerk until an attorney for a party to the case appears at the Judgment Clerk's desk (Rm. 141B at 60 Centre Street) and requests entry. Copies of unfiled judgments bearing a stamp stating "Unfiled Judgment" and a notice to counsel may be found in Scroll. For technical reasons, some long form orders or other documents that were scanned in the early phase of this project may be categorized here as a "Decision."
