The Vanguards file this supplemental memorandum to correct an error made in their Memorandum of Law which was filed yesterday. Counsel failed to report that in April of 2009, a small group of new firefighters (27) was appointed to the Cleveland Fire Department, holdover (and previously suspended) appointments from the otherwise "dead" 1999 eligible list. Twenty-seven (27) cadets were appointed, of which seven (7) are minorities. With these new appointments, the workforce statistics are as follows as of May 4, 2009:

Total in uniform: 897
Minorities: 225
% minority: 24.8%

Respectfully submitted,
