02/07/2011	<u>46</u>	Minute Entry for proceedings held before Judge Nora Barry Fischer: Motion Hearing held on 2/7/2011 re <u>2</u> MOTION to Dismiss Count III indicating that the Court held oral arguments on a motion to dismiss brought by Defendant and Plaintiffs' response thereto. After oral argument, the parties and court agreed that in the interest of justice, Plaintiffs should proceed with the filing of an amended complaint. To that end, Plaintiffs shall file an amended complaint on or before 2/15/11 by 5:00 p.m. Defendants response to said amended complaint is due to the Court on or before 3/1/11 on or before 5:00 pm. The Court held in abeyance argument related to Plaintiffs' motion to dismiss and motion to strike as they are not completely briefed. In light of same, the Court will conduct a status conference on 3/3/11 at 11:00 a.m. by phone as it relates to Plaintiffs' amended complaint and Defendant's pending motions, at which time a further briefing schedule and oral argument will be scheduled. The parties did not request a transcript, hence none was ordered. An appropriate order follows. (Court Reporter: K. Earley) (jg) Modified on 2/8/2011. (jg,) (Entered: 02/08/2011)
02/07/2011	<u>47</u>	Minute Entry for proceedings held before Judge Nora Barry Fischer: Case Management Conference held on 2/7/2011 indicating that counsel for Plaintiffs provided the Court with information concerning the background of the seven Plaintiffs and also answered the Courts questions regarding the nature of the action; potential number of witnesses in addition to describing in general various documents which may be pertinent. The Court reviewed with the parties their 26(f) reports in detail and particularly the description of documents and individuals encompassed by fact discovery. Although in many areas the parties have agreements, many areas may require the Courts intervention. The Court also reminded parties of their duty to disclose both hard copy and electronic documents. Initial disclosures must be made by 3/3/11 by 5:00 p.m. Because of disagreements concerning the course of discovery, the Court orders that counsel provide the Court with proposed orders by 3/18/11 at 5:00 p.m. For good cause shown, the Court enlarges the limitations of discovery on both depositions and interrogatories. Counsel will supplement their Rule 26(f) reports by 4/4/11 by 5:00 p.m. Counsel will also submit a proposed protective order by said date. The Court will conduct periodic discovery status conferences, the first of which will occur on 4/5/11 at 10:00 a.m. EST, the Court to initiate the call. Following the case management conference, counsel for the parties continued their discussion concerning the case. Court orders to follow. (Court Reporter: None) (jg) (Entered: 02/08/2011)

03/23/2011	<u>68</u>	Minute Entry for proceedings held before Judge Nora Barry Fischer: Motion Hearing held on 3/23/2011 on Plaintiff's "Motion to Dismiss Defendant's Counterclaim," <u>24</u> , Plaintiff's "Motion to Strike Certain of PGW's Affirmative Defenses," <u>26</u> , and Defendant's "Motion to Dismiss Count III of Plaintiffs' First Amended Complaint," <u>59</u> . The Court denied said motions on the record. An appropriate Order follows. The Court acknowledged receipt of the parties' proposed scheduling orders, (<u>66</u> , <u>67</u>). The parties then agreed to postpone discussion of same until the first periodic discovery status conference, which is presently set to occur on 4/5/11 at 10:00 a.m. EST. Defendant shall file its Amended Answer with Affirmative Defenses and Counterclaims by 4/14/11 at 5:00 p.m.; 2. Plaintiffs' Motion to Dismiss Defendant's Counterclaim <u>24</u> is denied, as moot, and without prejudice to Plaintiffs raising the issues set forth therein in a Motion for Summary Judgment at the conclusion of fact discovery upon Order of Court; 3. To the extent Plaintiff Benjamin D. Thompson, however, wishes to renew his motion to dismiss after the filing of Defendant's Amended Answer, said motion shall be filed by 4/28/11 at 5:00 p.m. Defendant's response to same, if any, shall be filed by 5/12/11 at 5:00 p.m.; 4. Plaintiffs' Motion to Strike <u>26</u> is denied, as moot. Moreover, based on the status of this case, including ongoing disclosures and argument of counsel pertinent to the facts underlying the affirmative defenses raised by Defendant, and the present state of the law in this District, the Court finds that Defendant's Affirmative Defenses, as stated in its "Answer, Affirmative Defenses and Counterclaim" <u>8</u> , provide Plaintiffs with sufficient notice to prepare for and participate in discovery as well as to counter same; 5. Defendant's Motion to Dismiss <u>59</u> is denied without prejudice to Defendant raising the issues set forth therein in a Motion for Summary Judgment at the conclusion of fact discovery upon Order of Court. 05/09/2012	<u>179</u>	MEMORANDUM OPINION indicating that, for reasons more fully stated within, Plaintiffs' Motion for Conditional Certification <u>88</u> is granted, in part. The Court will convene a status conference to address any remaining notice issues once the Court receives the parties status reports and proposed notice and consent forms, as directed in the forthcoming Order. Said appropriate Order follows. Signed by Judge Nora Barry Fischer on 5/9/12. (jg) (Entered: 05/09/2012)
05/09/2012	<u>180</u>	ORDER indicating that upon consideration of the Plaintiffs' Motion for Conditional Certification <u>88</u> and all associated papers filed in support and opposition, and all argument on the matter, it is hereby ordered that Plaintiffs' Motion <u>88</u> is granted, in part. In accord with the Opinion filed herewith <u>179</u> , Plaintiffs shall pursue discovery as to the proposed class of

		employees who were, on or about March 30 and 31, 2009, (a) 50 years of age or older; (b) who were employed by PGW; (c) who were members of the salaried workforce; and (d) who were terminated from employment with PGW by the RIF implemented on March 30 and 31, 2009. Accordingly, the Court will convene a telephonic status conference on 5/14/12 at 3:00 p.m. to address collective action discovery, and to set a timetable for same; that said Motion <u>88</u> is denied, in part, to the extent that the Plaintiffs seek approval of the Notice. In accord with the Court's Amended Case Management Order <u>83</u> , the Court shall convene a telephonic status conference to review the proposed notice. This conference call shall occur during the May 14th conference call scheduled above. As Defendant has indicated that there is only "one discrete matter" left to address (see Docket No. <u>106</u> at 35), the parties shall meet and confer and work diligently toward resolving that matter prior to the conference. If that issue cannot be resolved amicably, the parties shall file a joint stipulation on 5/14/12 by noon, describing the nature of the issue for the Courts review; that, because the Court has granted Plaintiffs' Motion for Conditional Certification, Defendants Motion for Summary Judgment on Collective Action Allegations and Disparate Impact Claim <u>101</u> is denied, without prejudice to Defendant renewing the motion after class discovery has been completed; As a consequence of the above rulings, it is finally ordered that Defendant's Motion for Protective Order Regarding Late-Noticed Depositions of 22 Witnesses <u>115</u> is denied, as moot. 10/12/2012	<u>236</u>	Minute Entry for proceedings held before Judge Nora Barry Fischer: Status Conference held on 10/11/2012 indicating that the Court convened a status conference to address the status of the case. Consistent with the email report, the Court reviewed the discovery status in this case. To that end, counsel for plaintiffs identified four (4) managers he wanted put up for depositions. Defendant's counsel agreed to produce these four individuals even though some no longer work for the defendant. Defendant's counsel agreed to work with plaintiffs counsel to schedule appropriate dates. Likewise defendant's counsel requested to depose the nine (9) plaintiffs and plaintiffs' counsel advised that all were available. Plaintiffs' counsel advised the Court that he would like to conclude depositions no later than mid-November, 2012. To facilitate scheduling and continue discovery progress, the Court will hold a Telephonic Status Conference on 10/26/12 at 2:30 p.m. The purpose of that conference will be to confirm the deposition schedule of the 4 managers and 9 plaintiffs, and to confirm that plaintiffs' counsel has provided defendant with a list of additional proposed deponents. Next the Court discussed the issue of amendment. The Court will circulate a proposed order, and the parties will submit their objections, comments and concerns in a joint report to the law clerk by 10/19/12 at 5:00 p.m. Third, the Court addressed the plaintiffs' request to schedule a settlement conference or mediation with the Court. Plaintiffs' counsel advised of his preference that such a conference be held following the deposition of the 9 plaintiffs. Defendant's counsel needed authority from his client and the carrier to agree to a settlement conference, but he advised that they would prefer to hold such a conference at the end of fact discovery. The Court also inquired if the parties were interested in going back to paid mediation. The Court outlined its procedures regarding settlement conferences. Counsel were told to review this discussion and these procedures with clients and to further advise the Court regarding their positions at the telephonic status conference to be held on 10/26/12. 03/21/2017	632	MEMORANDUM ORDER. It is hereby ORDERED that 622 Motion for Reconsideration is GRANTED, and Plaintiff may file an Amended Fee Petition on or before April 22, 2017. The Defendant shall file any Response thereto within thirty (30) days of the filing of that Amended Fee Petition, and the Plaintiff may file any supporting Reply within fourteen (14) days of the filing of any such Response. The Court's 598 Order deferring consideration of the Plaintiffs Fee Petition is VACATED WITHOUT PREJUDICE, and 596 Plaintiffs initial Fee Petition is DISMISSED AS MOOT WITHOUT PREJUDICE. The Court further gives notice that it would enter an ORDER holding all filing obligations set forth in this ORDER in abeyance if, on or

		before April 5, 2017, the Defendant files with the Clerk of this Court supplemental security in an amount equal to at least 66% of the amount cumulatively claimed as to attorney's fees and costs in the Plaintiffs initial fee Petition. Should the Defendant take that action, it would appear to the Court that the "security of payment" issues fairly raised by the Plaintiffs Motion for Reconsideration would have been mitigated..
