05/24/2011	<u>165</u>	ORDER by the Honorable Judge Alan B Johnson Granting in Part and Denying in Part <u>153</u> Defendants' Motion for Summary Judgment. The Court finds no genuine issue of material fact that Solvay provided most of the participants most of the required information; summary judgment as to this issue is granted in Solvay's favor. The Court finds a genuine issue of material fact exists as to whether Solvay's failure was intentional and if unintentional, whether Solvay failed to promptly notice after discovering the failure, therefore, summary judgment as to those issues is denied.
