**MOTION FOR ORDER APPROVING COMPROMISE AND SETTLEMENT
OF CLAIMS, PLAN OBJECTION AND OBJECTIONS TO CLAIMS**

NOW COME Donald E. Taylor and Annie T. Taylor (the “Debtors”), by and through undersigned counsel, and hereby move the Court (the “Motion”) pursuant to Rule 9019 of the Federal Rules of Bankruptcy Procedure, for the entry of an Order approving the compromise and settlement of all claims and controversies, including pending objections to claims filed in the above-captioned case, by and between the Debtors and Waterkeeper Alliance, Inc. and Sound Rivers, Inc.

In support thereof, the Debtors show unto the Court as follows:

1. This Court has jurisdiction over this Motion pursuant to 28 U.S.C. §§ 151, 157, and 1334. This matter is a core proceeding pursuant to 28 U.S.C. §157, and the court has jurisdiction pursuant to 28 U.S.C. §§151, 157, and 1334. The court has the authority to hear this matter pursuant to the General Order of Reference entered August 3, 1984, by the United States District Court for the Eastern District of North Carolina.

2. Venue is proper in this district pursuant to 28 U.S.C. § 1408.

3. On or about May 14, 2015, the Debtors filed a voluntary petition under Chapter 11 of the United States Bankruptcy Code. Prior to the filing of the petition, on July 27, 2012 Neuse Riverkeeper Foundation, Inc. (now known as “Sound Rivers, Inc.” and hereinafter referred to as “Sound Rivers”) and Waterkeeper Alliance, Inc. (“Waterkeeper Alliance”) commenced a civil action under the citizen suit provisions of the Federal Water Pollution Control Act, as amended, 33 U.S.C.

§ 1365, and the Resource Conservation and Recovery Act (“RCRA”), 42 U.S.C. § 6972(a)(1)(A), (hereinafter the “Lawsuit”) against the Debtors individually and d/b/a Taylor Finishing, Justin T. McLawhorn, and Aaron McLawhorn for alleged violations of federal environmental laws. Collectively, the Debtors, Waterkeeper Alliance and Sound Rivers shall be referred to as the “Parties.”

4. Asserting claims and remedies set forth in the Lawsuit, Waterkeeper Alliance filed three proofs of claim in the bankruptcy proceeding (“Proofs of Claim Nos. 17, 18 and 19”) on September 14, 2015 and Sound Rivers filed two proofs of claim (“Proofs of Claim Nos. 20 and 21”) on the same date. The Debtors filed objections (the “Claim Objections”) to each of these claims on October 8, 2015 and said Claim Objections are pending before the Court.

5. The Debtors filed their Plan of Reorganization (“Plan”) and Disclosure Statement on July 6, 2016. Waterkeeper Alliance and Sound Rivers filed their objections (the “Plan Objection”) to the Plan and Disclosure Statement on August 19, 2016. The Plan and objections thereto, including the Plan Objection, are currently pending before the Court.

6. As a result of lengthy negotiations, the Parties reached a compromise (the “Compromise”) to settle all controversies and issues between and among the Parties relating to the claims asserted in the Lawsuit and this bankruptcy proceeding, including the Plan Objection and Claim Objections.

7. To memorialize the Compromise, the Parties have drafted and executed a Settlement and Release Agreement effective as of March 23, 2018. A true and accurate copy of the Settlement and Release Agreement is attached hereto as **Exhibit A** and incorporated herein by reference.

8. In considering the terms of the Compromise, the Parties have taken into consideration existing factual and legal disputes, including the strengths and weaknesses of the Parties' positions, the equities involved, the information available to the Parties and the costs and risks of litigation.

9. The Debtors believe that the proposed Compromise and settlement is fair and reasonable, and that approval of the terms set forth in the Settlement and Release Agreement is in the best interest of the bankruptcy estate.

Wherefore, the Debtors pray to the Court as follows:

1. For an Order from the Court granting the Compromise according to the terms as set forth in the Settlement and Release Agreement; and
2. For such other and further relief as the Court deems just and proper.

SETTLEMENT AND RELEASE AGREEMENT

WHEREAS, on July 27, 2012, Neuse Riverkeeper Foundation, Inc. (currently known as "Sound Rivers, Inc.") and Waterkeeper Alliance, Inc. (collectively, "Plaintiffs"), commenced a civil action under the citizen suit provisions of the Federal Water Pollution Control Act, as amended, 33 U.S.C. § 1365, and the Resource Conservation and Recovery Act ("RCRA"), 42 U.S.C. § 6972(a)(1)(A), (hereinafter "Civil Case") against Mr. Donald Taylor and Ms. Annie Taylor ("Taylor Defendants") individually and d/b/a Taylor Finishing (formerly known as McLawhorn Livestock Farm (Banks)), McLawhorn Livestock Farm, Inc. (also known as McLawhorn Livestock Farms (Banks)), Mr. Justin T. McLawhorn, and Mr. Aaron McLawhorn (collectively "McLawhorn Defendants") for alleged violations of federal environmental laws. Plaintiffs filed their Amended Complaint on April 25, 2013;

WHEREAS, Plaintiffs' Civil Case alleges, *inter alia*, that the Taylor Defendants, Taylor Finishing (hereinafter "Facility"), McLawhorn Livestock Farm, Inc., and the McLawhorn Defendants (collectively "Defendants") caused the release of pollutants, including nitrogen, phosphorus and bacteria, onto the lands and into waters surrounding the Facility, which is located in the coastal plain of North Carolina within the Neuse River Basin. Plaintiffs further alleged that Defendants have caused, and/or continue to cause, illegal discharges of pollutants without a permit, illegal open dumping of swine waste, and/or illegal treatment, storage, and disposal of swine waste, creating an imminent and substantial endangerment to human health and the environment in violation of the CWA and/or RCRA;

WHEREAS, Plaintiffs' Complaint seeks (1) a declaratory judgment, injunctive relief, the imposition of civil penalties, and the award of costs, including attorneys' and expert witness' fees from the Taylor Defendants for alleged repeated violation of the CWA through continuously

discharges of pollutants into the waters of the United States from the Facility without a National Pollution Discharge Elimination System ("NPDES") permit, 33 U.S.C. §§ 1311(a), 1342, 1362(14); (2) a declaratory judgment, injunctive relief, the imposition of civil penalties, and the award of costs, including attorneys' and expert witness' fees, from the Taylor Defendants for alleged repeated violations of the prohibition in RCRA, Section 4005(a), 42 U.S.C. § 6945(a), against the open dumping of solid waste in the form of swine waste; and (3) a declaratory judgment, injunctive relief, the imposition of civil penalties, and the award of costs, including attorneys' fees and expert witness' fees, from the McLawhorn Defendants and Taylor Defendants for alleged contributions to the past and present treatment, storage, and disposal of solid waste that may present an imminent and substantial endangerment to the health and/or environment in violation of 7002(a)(1)(B) of RCRA 42 U.S.C. § 6972(a)(1)(B);

WHEREAS, Defendants have generally denied the allegations set forth the Complaint and deny that they are liable for violations of the CWA and RCRA;

WHEREAS, on May 14, 2015, the Taylor Defendants filed a voluntary petition for relief under Chapter 11 of the United States Bankruptcy Code and currently operate as debtors-in-possession, Bankruptcy Court for the Eastern District of North Carolina - Case No. 15-02730-5-SWH, ("Bankruptcy Proceeding"). On June 3, 2015, District Court Judge Dever entered an Order staying all proceedings in the Lawsuit pursuant to 11 U.S.C. § 362 as it received Debtors' filing on May 18, 2015. On October 25, 2017, the Taylor Defendants and Plaintiffs (hereafter the "Parties") announced to the Bankruptcy Court that they had reach a settlement in principle upon terms read into the record before the Bankruptcy Court. The Taylor Defendants and Plaintiffs agreed that their settlement will be subject to approval of the Bankruptcy Court and incorporated in the Reorganization Plan for the purpose of effectuating a global resolution and settlement of

the Civil Case and all claims and controversies asserted by the Plaintiffs against the Taylor Defendants or existing between the Parties in the Bankruptcy Proceeding and in District Court;

WHEREAS, the Parties agree, without final adjudication of the issues of fact or law, that settlement of this matter is fair, reasonable and in the public interest, and stipulate that in order to resolve the claims set forth in Plaintiff's Amended Complaint, this Settlement Agreement is in the best interests of the Parties thereto;

WHEREAS, settlement of these claims does not constitute an admission of liability by Defendants, nor does settlement constitute an acknowledgement by Defendants that the Facility posed or poses a threat to human health or the environment. Further, settlement of these claims does not constitute an admission by Plaintiffs that the Facility is in compliance with the CWA or RCRA, nor does it constitute an acknowledgement by Plaintiffs that the Facility does not pose a threat to human health or the environment; and

WHEREAS, Plaintiffs and Taylor Defendants agree that it is in the interest of the public, the Parties, and judicial economy to resolve the claims in this lawsuit without further litigation.

NOW, THEREFORE, the Parties hereby agree as follows:

VI. EFFECT OF SETTLEMENT, CONSENT DECREE AND RELEASE

17. **Plaintiffs' Release of Claims:** Unless otherwise reserved in this Settlement Agreement, the Parties agree that this Settlement Agreement resolves all claims in the Civil Case, as well as all claims and actions against the Taylor Defendants in the Bankruptcy Proceeding. The Parties agree that upon entry of this Settlement Agreement, Plaintiffs release and covenant not to sue Defendants, their family members, their parent corporations, subsidiaries, predecessors, or successors and their respective attorneys, agents, directors, officers, and employees with respect to any and all contentions, claims, causes of action, suits, or demands of any kind whatsoever, including attorney fees, expert costs, or other litigation expenses, whether in law or equity, known or unknown, that Plaintiffs brought, or could have brought prior to the effective date of this Settlement Agreement, whether related to the Taylor Defendants, or Plaintiffs' investigation and litigation of the matters raised in the Civil Case and/or the Bankruptcy Proceeding.
18. **Defendants' Release of Claims:** Unless otherwise reserved in this Settlement Agreement, the Parties agree that this Settlement Agreement resolves all claims in the Civil Case, as well as all of all claims and actions against Plaintiffs in the Bankruptcy Proceeding, including all motions against Plaintiffs, including but not limited to the Motion for Sanctions for violation of 11 U.S.C. § 362. The Parties agree that upon Bankruptcy Court approval of this Settlement Agreement, the Taylor Defendants and their directors, officers and employees release and covenant not to sue Plaintiffs, their parent corporations, subsidiaries, predecessors, or successors and their respective attorneys, agents, directors, officers, and employees with respect to any and all contentions, claims, causes of action, suits, or demands of any kind whatsoever, including attorney fees, expert costs, or other litigation expenses, whether in law or equity, known or unknown, that Defendants brought,

or could have brought, prior to the effective date of this Settlement Agreement, relating to the Facility, Plaintiffs' investigation and litigation in this matter, Plaintiffs' Amended Complaint, and/or the Bankruptcy Proceeding.

19. **Claims for Continuing Violations of Environmental Laws at Facility:** Plaintiffs agree that they will not file any new citizen suit against the Taylor Defendants relating to the Facility for three years after the effective date of this Settlement Agreement. After the expiration of that three-year period, the Bankruptcy Court will serve as a gatekeeper for an additional four-year period to review any new citizen suit against the Taylor Defendants that Plaintiffs intend to file regarding the Facility. During this four-year period, Plaintiffs therefore acknowledge and agree that in addition to required statutory notifications to appropriate federal and state agencies, Plaintiffs shall also be required to notify the Bankruptcy Court which may take any and all action that it is authorized to take under governing laws, including Section 105 of the Bankruptcy Code, 11 U.S.C. § 105, in a manner to be established by the Bankruptcy Court.
20. **Voluntary Dismissal:** Based upon the representations and commitments herein and upon 45 days prior notice to the Attorney General of the United States and the Administrator of the EPA pursuant to 33 U.S.C. 1365(c)(3), Plaintiffs' Civil Case shall be DISMISSED WITH PREJUDICE pursuant to entry of a Consent Decree by Judge Dever in District Court which shall attach this Settlement and Release Agreement and Plaintiffs shall withdraw their monetary claims in the Bankruptcy Proceeding together with pending objections to the Taylor Defendants' Reorganization Plan. The Bankruptcy Court approves the filing of the Consent Decree in the District Court and also approves a Rule 41(a)

Stipulation of Dismissal with respect to remaining parties remaining in the District Court Action and such filings (and those related to them) shall not be subject to 11 U.S.C. § 362.

21. **No Waiver of Rights:** By entering into this Settlement Agreement, Plaintiffs do not waive any right they have to bring suit against Defendants three years after the effective date of this Settlement Agreement, subject to the requirements of Paragraph 19 herein. Further, by entering into this Settlement Agreement, Defendants do not waive any claim or defenses they may have in any action brought by the Plaintiffs three years after the effective date of this Settlement Agreement. Plaintiffs and Taylor Defendants agree that, other than issues related to implementation of this Settlement Agreement reserved for the Bankruptcy Court herein, any new suit shall be brought in a separate action in District Court and not pursuant to this Settlement Agreement.

VII. MODIFICATION

22. **Entire Agreement:** This Settlement Agreement constitutes the entire agreement of Plaintiffs and Defendants regarding the matters currently pending in the Civil Case and Bankruptcy Proceeding. Neither prior drafts of the Settlement Agreement nor any other prior statements, agreements or understandings, oral or written, shall be used in any action involving the interpretation or enforcement of this Settlement Agreement.
23. **Modifications:** This Settlement Agreement shall not be modified except by express written agreement of all Parties. Any modification agreed to by all Parties shall not be effective or enforceable in the absence of a Bankruptcy Court order approving the modification.

VIII. DISPUTE RESOLUTION

24. **Dispute Resolution:** Plaintiffs and Defendants agree to provide opposing counsel for all Parties written notice of any dispute related to compliance with this Settlement Agreement at least thirty days prior to filing any request for relief with the Bankruptcy Court. During that thirty-day time period, and prior to seeking relief from any Bankruptcy Court, Plaintiffs and Defendants agree to attempt to resolve any disputes regarding this Settlement Agreement that may arise by agreement. This period may be extended by written agreement of the Parties. Nothing in this paragraph is intended to preclude the parties, or their representatives, from engaging in informal communications to attempt to resolve any potential disputes. Any petition to the Bankruptcy Court seeking resolution of a dispute after the thirty-day informal dispute resolution process shall be initiated by filing a motion asking the Bankruptcy Court to resolve the dispute that (1) describes the nature of, and basis for, the dispute, (2) sets forth the steps taken to resolve it informally and the results, (3) proposes a resolution, and (4) states that the party filing the motion has made a diligent, good faith effort to resolve the dispute informally. Within fifteen days after receipt of the motion, the other parties to the dispute shall file their response, which may include an alternative for resolution and/or a counter motion for enforcement of the Settlement Agreement. The Bankruptcy Court's ruling on the dispute shall be binding, final and non-appealable regarding the matter submitted for resolution.

IX. BREACH

25. **Remedy for Breach:** Plaintiffs and Defendants agree that any party may file a motion to enforce the Settlement Agreement and/or any related court order in Bankruptcy Court. The remedy for breach of this Settlement Agreement shall be an order enforcing the terms of the Settlement Agreement. However, remedies for failure to comply with a court order

directing compliance with the Settlement Agreement are determined by the discretion of the court.

X. SEVERABILITY

26. **Severability and Court Acceptance:** Wherever possible, each provision of this Settlement Agreement shall be interpreted in such a manner as to be effective and valid. If subsequent to approval by the Bankruptcy Court any provision of this Settlement Agreement is determined to be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or any the remaining provisions this Settlement Agreement.

XI. ASSIGNABILITY

27. The obligations of the Defendant Taylors under Part III, Paragraphs 4,5,6,7, and 8 of this Settlement Agreement shall be binding upon future owners of the Facility. Otherwise, this Settlement Agreement shall not be assignable to any third party that operates or owns the Facility without the express prior written consent of all Parties.

XII. SIGNATORIES

28. Each undersigned representative of the Plaintiffs and Defendants certifies that he or she is fully authorized to enter into and execute the terms and conditions of this Settlement Agreement, and to legally bind such respective party to this Settlement Agreement. The terms of this Settlement Agreement apply to, are binding upon, and inure to the benefit of Plaintiffs and Defendants, as well as their successors, assigns, and designees.
