11 Civ. 6774 (PAE)

ORDER

PAUL A. ENGELMAYER, District Judge:

On August 29, 2012, the Court issued an Opinion and Order granting plaintiffs' motion for a preliminary injunction, denying defendants' motion for a stay of that Order pending appeal, and granting declaratory relief and nominal damages to plaintiffs. In that Order, the Court deferred consideration of plaintiffs' motion for attorney's fees, pending the resolution of defendants' appeal. Defendants have since voluntarily dismissed that appeal. On October 16, 2012, the Court received a joint letter from the parties, stating that they have reached a settlement regarding attorney's fees, and that plaintiffs will not be seeking any further relief. Accordingly, that issue is now resolved. The Clerk of Court is directed to close the case.

SO ORDERED.
