**ORDER**

Pursuant to the “2010 Revision to the 2001 Plan for Compliance and Conclusion of *Evans v. Fenty*,”<sup>1</sup> (“2010 Plan”), the Special Master, Clarence J. Sundram, has submitted a report and recommendation regarding defendants’ certification of compliance with the one remaining outcome criterion (criterion xii) for Goal B – Consumers Must Be Kept Free From Harm. (Special Master’s Report and Recommendation Regarding Protection from Harm – Part III, Jan. 17, 2015 [ECF No. 1515] (“R&R”).) The Special Master now recommends that the Court find that defendants have met their burden of proof of compliance with respect to criterion xii. The parties had 30 days to file objections to the Special Master’s report. No objections have been filed.

<sup>1</sup> The 2010 Plan was filed on July 13, 2010 [ECF No. 1200], and approved on August 10, 2010 [ECF No. 1204].

Accordingly, upon consideration of the Special Master's Report and Recommendation, the lack of any objections thereto, and the entire record herein, it is hereby

**ORDERED** that the Court **APPROVES AND ADOPTS** the Special Master's Report and Recommendation Regarding Protection from Harm – Part III, Jan. 17, 2015 [ECF No. 1515]; it is further

**ORDERED** that defendants have achieved compliance with Goal B and the underlying Court orders as set forth in the 2010 Plan.
