v.

Commissioner of Human

Defendants.

ATTORNEY GENERAL'S OFFICE  
SUITE 200  
520 LAFAYETTE ROAD ORDER  
ST. PAUL, MN 55155  
No. 4-72 Civ. 451

Pursuant to notice, on August 25, 1989, defendants brought a motion to dismiss the above action. Beverly Jones Heydinger, Assistant Attorney General, appeared on behalf of the defendants. Luther A. Granquist and Anne L. Henry, Legal Advocacy for Persons with Developmental Disabilities, appeared on behalf of the plaintiffs.

The Court finds that the terms of the Negotiated Settlement signed by the parties on April 14, 1987 and approved by an Order of this Court, dated July 31, 1987, and a Supplemental Order, dated August 26, 1987, have been met and that the plaintiffs do not oppose defendants' motion to dismiss this action. All obligations of either the plaintiffs or defendants under the terms of the Negotiated Settlement or any other obligations, duties or responsibilities of the parties related to this action, shall terminate upon issuance of this order of dismissal with prejudice which shall constitute full and final resolution of this action.
