DEFENDANTS' MOTION IN OPPOSITION
OF CLASS CERTIFICATION

The above-named Defendants respectfully request an Order of the Court denying the Motion for Class Certification until such time as the Motion to Dismiss, together with Defendants' for More Definite Statement is heard.

It is shown to the Court that in order to properly respond to the class certification, it is necessary to have the issues joined before an adequate response can be given by the individual defendants or agencies.

THEREFORE, Defendants object to the Plaintiffs' Motion for Class Certification at this time.
