| 09/04/2008 | 45 | The court has ORDERED this case reassigned to Judge G. Murray Snow who is newly-appointed to the District of Arizona. The reassignment is effective September 8, 2008. Judge Snow's docket is created from cases randomly-drawn from other judges in the Phoenix Division. As a result of combining cases that have been calendared on the dockets other judges, Judge Snow may be required to make future scheduling adjustments in this case. If, however, the Court does not otherwise provide notice of a change in the date or time of a hearing currently scheduled by the Court to which this matter was previously assigned, the parties |

| 05/05/2009 | 89 | ORDER The Court met with the parties today concerning Plaintiffs' request for limitations on discovery. After discussion with the parties it is ordered that fifty Plaintiffs who will be randomly determined by the parties will respond to the interrogatories that were served on Plaintiffs by Defendants last October. The parties will determine a method for randomly selecting Plaintiffs with representative Plaintiffs coming from each work crew. Such Plaintiffs will be designated by Friday May 8. The designated Plaintiffs will provide full and complete responses to the interrogatories on or before May 26, 2009. It is further ordered that if on or before May 12, Plaintiffs can demonstrate to Defendants how they intend to establish liability for and prove the amounts on all of their damages claims on a work crew by work crew basis that will not give rise to possible individual variations among plaintiffs for purposes of either damages or liability, then such discovery will not be necessary. If Plaintiffs do make such disclosure to Defendants and the parties cannot agree as to whether the individual discovery responses remain necessary, the parties may seek a telephonic conference with the Court to determine the issue. Ordered by Judge G Murray Snow on May 5, 2009. This is a TEXT ENTRY ONLY. There is no PDF document associated with this entry. (GMS,) (Entered: 05/05/2009) |
