12/20/2019	369	ORDER of USCA as to 335 Notice of Appeal to the 9th Circuit filed by Elaine C. Duke, Kirstjen Nielsen, Kevin K. McAleenan, Todd C. Owen. The government requests an emergency temporary stay of the USDC's order provisionally certifying a class, and preliminarily enjoining the government from enforcing the Third Country Transit Rule, 8 C.F.R. § 208.13(c)(4), against non-Mexican nationals who were allegedly in the process of arriving at a port of entry before the Third Country Transit Rule went into effect. The government also seeks a stay of the USDC's order pending appeal. A temporary stay in this context (sometimes referred to as an administrative stay) is only intended to preserve the status quo until the substantive motion for a stay pending appeal can be considered on the merits, and does not constitute in any way a decision as to the merits of the motion for stay pending appeal. Because granting the stay request would preserve the status quo, we grant the government's motion for a temporary stay to preserve the status quo pending a decision on the motion for stay pending appeal. The Third Country Transit

		Rule has been in effect since July 16, 2019. Prohibiting the government from applying the Rule to the proposed class members could cause complications at the border in the period before the motion for stay pending appeal is decided. Our ruling is based on these considerations and not in any respect on the merits of the dispute. Instructions issued. This case will be assigned to the next available oral argument panel for a decision on the merits of the appeal. (akr) (Entered: 12/20/2019)

09/29/2020	565	ORDER regarding the parties' Joint Motion for Determination of June 2020 Clawback [Doc. No. 524] and documents lodged with Judge Crawford's Chambers. On August 18, 2020, the parties filed a Joint Motion requesting that the Court determine whether defendants should be allowed to claw back purportedly privileged and inadvertently produced documents. The same day, defendants lodged 17 documents, identified as documents A-Q, with Judge Crawford's Chambers for in camera review in connection with the Joint Motion. Defendants assert all 17 documents are protected by the attorney client and/or deliberative process privileges. Doc. No. 524 at 3-6, 7 n.3. Plaintiffs state in the Joint Motion that the dispute "relates only to Document K" and that for "strategic reasons" they do not challenge defendants' assertion of privilege over any of the other documents. Id. at 12 and n.5. Yet, plaintiffs also advocate for disclosure of "the documents" (plural), id. at 14, and the Court notes that among the 17 documents lodged with Chambers there are 4 identical copies of the document labeled "Document K." By the close of business on Wednesday, September 30, 2020, the parties are to file a one-page document via ECF identifying which of the 17 documents lodged with Chambers are the subject of the parties' June 2020 clawback dispute. 12/17/2020	651	ORDER Approving the Pro Hac Vice Application of Zachary Albun, re 650 Request to Appear Pro Hac Vice. Signed by Judge Cynthia Bashant on 12/17/2020.(rmc) (Entered: 12/17/2020)
12/18/2020	652	ORDER of USCA as to 634 Notice of Appeal to the 9th Circuit filed by Chad F. Wolf, Elaine C. Duke, Kirstjen Nielsen, Kevin K. McAleenan, Todd C. Owen. Appellants (collectively, "the Government") request an emergency administrative stay of the USDC's October 30, 2020, order granting Al Otro Lado's motion for clarification of the preliminary injunction ("clarification order"). The Government also seeks a stay of the USDC's clarification order pending appeal. "A temporary stay in this context (sometimes referred to as an administrative stay) is only intended to preserve the status quo until the substantive motion for a stay pending appeal can be considered on the merits, and does not constitute in any way a decision as to the merits of the motion for stay pending appeal." The status quo will be preserved by granting in part and denying in part the administrative stay request. Therefore, the administrative stay is granted insofar as the clarification order requires the Government to take affirmative steps to find and reopen or reconsider cases in which the Asylum Transit Rule was applied to provisional class members but that became final before November 19, 2019, when the preliminary injunction was entered, or during the period of the administrative stay in Al Otro Lado v. Wolf, No. 19-56417, December 20, 2019, to March 5, 2020. The administrative stay is denied in all other respects, including as to the Government's obligation to adjudicate consistent with the clarified preliminary injunction any motion to reopen or reconsider that is filed by a member of the

		provisional class. Scheduling orders issued. (akr) (Entered: 12/18/2020)
