- 12/2/98 CLERK'S ORDER filed, on the court's own motion, that appellants show cause within fourteen (14) days of the date of this order, why they should not be required to file one joint initial brief (not to exceed 14,000 words) and one joint reply brief (not to exceed 7,000 words). The appellants are reminded that the court looks with extreme disfavor on repetitious submissions and will, where appropriate require a joint brief of aligned parties with total words not to exceed the standard allotment for a single brief. The appellants are directed to provide specific justifications for any requests to file separate briefs or to exceed the standard word allotments.
