08/19/2020		MINUTE ORDER denying without prejudice Plaintiffs' Emergency Motion to Compel, ECF No. 96 . Plaintiffs' counsel did not meaningfully meet and confer with opposing counsel as required by Local Civil Rule 7(m). Defendants' counsel, Mr. Lyerla, responded to Plaintiffs' counsel on August 18, 2018, within 31 minutes of Plaintiffs' meet-and-confer inquiry. See ECF No. 98-2. According to Plaintiffs' counsel, not one of them received Mr. Lyerla's response, ECF No. 99 ; even so, absent a meaningful meet and confer, ruling on Plaintiffs' motion would be premature. The parties must engage in a genuine meet and confer before the court will consider any renewed motion. Signed by Judge Amit P. Mehta on 8/19/2020. 08/23/2020		<p>MINUTE ORDER granting in part and denying in part Plaintiffs' Renewed Emergency Motion to Compel, ECF No. 103 . The court has reviewed in camera the redacted portions of the administrative record as to which Plaintiffs seek emergency disclosure, namely, (1) 20 STATE 30920, AR 000013-16, and (2) the four webinar slide decks, AR 000198-253. The court lacks sufficient information to decide whether Defendants have validly redacted portions of 20 STATE 30920 pursuant to the law enforcement privilege. That said, the relevance of the redacted portions is not apparent to the court, as none of the portions pertain to diversity lottery visas or any other visa category impacted by Presidential Proclamations 10014 and 10052. Nor do the redactions bear on the issues of final agency action or Plaintiffs' standing. The court therefore declines to make a privilege determination on an emergency basis. As for the webinar slide decks, the court can discern no relevance of the redacted portions, with one exception. The redactions, generally speaking, do not pertain to any of the visa categories at issue in this case and do not reflect or convey what could be considered a final agency action. The sole exception in terms of relevancy appears on AR 000201, where bullet points two and three seem to address the status of visa processing operations. That information could be probative of the court's ability to redress any alleged injury. Defendants, therefore, shall disclose bullet points two and three on AR 000201; the remainder of that page may remain redacted. These rulings are without prejudice to future reconsideration either after final briefing on the motions for preliminary injunction is complete or if this matter proceeds past the preliminary injunction stage. Signed by Judge Amit P. Mehta on 8/23/2020. (lcapm1) (Entered: 08/23/2020)</p>
08/23/2020		<p>MINUTE ORDER granting the Gomez Plaintiffs' Motion for Leave to Amend Complaint, ECF No. 76 . "Leave to amend a complaint under Rule 15(a) shall be freely given when justice so requires." <i>Firestone v. Firestone</i>, 76 F.3d 1205, 1208 (D.C. Cir. 1996) (quoting Fed. R. Civ. P. 15(a)). "Although the grant or denial of leave to amend is committed to a district court's discretion, it is an abuse of discretion to deny leave to amend unless there is sufficient reason, such as 'undue delay, bad faith or</p>

		dilatory motive... repeated failure to cure deficiencies by [previous] amendments... [or] futility of amendment.'" Id. (quoting Foman v. Davis, 371 U.S. 178, 182 (1962)). None of the Foman factors are present here; Defendants do not contend otherwise. Defendants' sole objections are procedural in nature, and they are not well taken. Plaintiffs met and conferred, as required by Local Civil Rule 7(m), see ECF No. 76-22, and although Defendants complain about the absence of detail during that process, they have not identified any resulting prejudice. Additionally, deferring a decision on the proposed amendment makes little sense given that the proposed diversity visa lottery sub-class seeks relief before September 30, 2020. Accordingly, the Second Amendment Complaint will be the operative pleading in the Gomez matter. Signed by Judge Amit P. Mehta on 8/23/2020. (lcapm1) (Entered: 08/23/2020)
