09/13/2017	29	LETTER Providing Status Update by Hanad Abdi, Johan Barrios Ramos.(Hodgson, Robert) Modified on 9/15/2017 to correct title pursuant to 30 Text Order (NRE). (Entered: 09/13/2017)
09/14/2017	30	TEXT ORDER. Pursuant to the letter from Petitioner's counsel dated September 13, 2017 29 , the Motion to Expedite Hearing on Petition for Writ of Habeas Corpus 2 should be designated as withdrawn. Petitioner's counsel has also designated that letter as a motion seeking expedited discovery. The letter does not comply with Local Rule of Civil Procedure 7 and should not be designated as a motion. The Clerk of Court is directed to redesignate the letter as simply providing a status update. If any party seeks affirmative relief from the Court, compliance with this Court's Local Rules and the Federal Rules of Civil Procedure is required, including filing a notice of motion setting forth the relief requested, a memorandum of law, and any affidavit in support of the motion. In addition, if a party seeks to have a motion determined on an expedited basis, a separate motion for an expedited hearing is required. At this time, the Court does not intend to conduct a telephone conference to discuss scheduling because scheduling orders have been

		<p>issued for any pending motions. In addition, the parties are reminded that, while the Court encourages cooperation between the parties and efforts to come to an agreement on a mutually acceptable schedule with respect to any pending motion in this case, it is the Court that sets the schedule - not the parties - and therefore, scheduling deadlines issued by the Court cannot be changed by agreement between the parties without the Court's approval. SO ORDERED. Signed by Hon. Elizabeth A. Wolford on 9/14/17. (ZML)</p> <p>-CLERK TO FOLLOW UP- (Entered: 09/14/2017)</p>

09/19/2017	37	<p>TEXT ORDER. Currently pending before the Court is a 32 Motion to Expedite Consideration of Motion for Expedited Discovery, wherein Petitioners seek to expedite the briefing and this Courts consideration of their 31 Motion for Discovery. Petitioners represent that the documents they seek in discovery will be used to support an anticipated Motion for Preliminary Injunction that will be filed no later than September 25, 2017. Also pending before the Court is Respondents 27 Motion to Dismiss wherein, among other arguments, Respondents contend that this Court lacks subject matter jurisdiction. As a result, a threshold issue that this Court will have to determine before considering the granting of any relief to Petitioners - whether it be in the form of discovery or preliminary injunctive relief - is whether the Court has jurisdiction to consider the claims.</p> <p>Having considered the respective arguments by the parties, and the procedural posture of this case, the Court grants the 32 Motion to Expedite, in part, to the extent that the Court will set a briefing schedule for Petitioners 31 Motion for Discovery and consider the issues set forth therein on a more expedited basis than it might otherwise, but the motion is otherwise denied, including to the extent that Petitioners seek a determination on the 31 Motion for Discovery prior to the Court resolving the 27 Motion to Dismiss.</p> <p>Accordingly, papers in response to the 31 Motion for Discovery are hereby due on or before October 2, 2017. Upon receipt of all papers, the court will determine if oral argument is necessary, and if so, inform the parties of the date and time. SO ORDERED. Signed Hon. Elizabeth A. Wolford on 9/19/17. 11/02/2018	93	TEXT ORDER denying without prejudice 92 Motion Requesting Status Conference. Petitioners have filed a motion requesting that the Court hold a status conference to determine an appropriate process by which to address the issues now before it upon remand by the United States Court of Appeals for the Second Circuit. (Dkt. 92; <i>see</i> Dkt. 90). While the Court agrees that formulating an orderly process is appropriate, due to the Court's criminal docket, it does not presently have time to schedule a status conference. However, in lieu of a status conference, the Court hereby orders that counsel confer and submit a joint proposal to address a briefing schedule and a proposed oral argument date for the pending 91 motion to vacate and any other related applications for relief <u>by Wednesday November 7, 2018</u> . If counsel are unable to agree upon a joint proposal, each side must submit its own competing proposal by November 7, 2018. Upon review of the parties' filings, the Court will issue an appropriate briefing schedule and will set a date for oral argument. Briefing on Respondents' 91 motion to vacate is held in abeyance until further order of the Court. SO ORDERED. Signed by Hon. Elizabeth A. Wolford on 11/02/2018. (PFC) (Entered: 11/02/2018)

11/08/2018	96	<p>TEXT ORDER. The Court has reviewed the parties' submissions 94 95 in response to the Court's Text Order 93 . After considering the issues and the parties' respective positions, the Court is not inclined to hold briefing in abeyance with respect to any properly-filed motion. This does not mean that the Court will deny Petitioners' anticipated motion for limited discovery, nor does it mean that Petitioners cannot oppose the pending Motion to Vacate on the ground that discovery is needed to adequately address the motion. If the Court ultimately determines that limited discovery is warranted, it may very well defer rendering a decision on any pending substantive motion and permit the parties to supplement their filings. But at this stage, the Court is not in a position to determine whether, indeed, it will permit limited discovery—particularly where no such motion has been filed.</p> <p>While Respondents advance setting a briefing schedule in accordance with this Court's Local Rules, the briefing deadlines set forth in the Court's Local Rules apply only in the absence of a Court Order, and as a matter of practice this Court sets its own briefing schedules. Accordingly, the Court hereby sets the following briefing schedule for the Motion to Vacate 91 . <u>Petitioners' papers in opposition are due on or before December 7, 2018, and any reply papers are due on or before December 21, 2018. The Court intends to schedule oral argument to address this motion, and a date and time for oral argument will be subsequently scheduled.</u></p> <p>Upon the filing of any further motion as referenced in the parties' submissions, including any motion for discovery or motion to decertify the class, the Court will set a briefing schedule with respect to that motion. SO ORDERED. Signed by Hon. Elizabeth A. Wolford on 11/08/2018. (PFC) (Entered: 11/08/2018)</p>

01/04/2019	109	<p>TEXT ORDER granting 106 Motion to Stay. Respondents have filed a motion requesting the Court to stay all deadlines currently pending in this action in light of the lapse in the Department of Justice's appropriations due to the partial government shutdown. Petitioners have filed a 108 response indicating that they do not oppose Respondents' motion. However, Petitioners wish to "reserve the right to petition the Court to lift the stay in the event that issues arise with the implementation of the preliminary injunction that require the Court's intervention." (Dkt. 108 at 1). Petitioners also "suggest that once the government's funding resumes, it notify the Court of its position on the petitioners' motion for a sur-reply within one business day of the end of the shutdown." (<i>Id.</i>).</p> <p>Based upon a consideration of the parties' respective submissions, it is hereby ordered as follows: (1) Respondents' 106 motion is granted and all deadlines currently pending in this action are stayed. Respondents shall notify the Court as soon as Congress has appropriated funds for the Department of Justice so that counsel for Respondents are able to resume their normal work activities; (2) Nothing contained herein shall prevent Petitioners from seeking to lift the stay at any time or otherwise to seek the Court's intervention; and (3) Upon receiving notification as set forth in paragraph 1, or at such earlier time as directed by the Court, the Court will issue a scheduling order after receiving input from the parties wherein it shall set deadlines for various submissions, including a deadline for Respondents to respond to Petitioners' 105 motion for a sur-reply. Counsel must also indicate their availability for oral argument after April 1, 2019. 05/17/2019	137	TEXT ORDER granting in part 134 Motion to Adjourn Oral Argument. Petitioners request that the Court adjourn the motion hearing currently set for May 29, 2019, because Petitioners' attorneys who had been preparing for oral argument will be unavailable. Petitioners request for oral argument to be adjourned until after July 8, 2019. Respondents argue that Petitioners have not established good cause for their requested adjournment, and that Respondents would be prejudiced if

		<p>the Court entertained any further adjournment of the oral argument date. However, the primary reasons for the delay up to this point have been the partial government shutdown and the Court's criminal calendar. Petitioners have not engaged in dilatory tactics to stall the Court's consideration of the pending motions, and it is likely that oral argument would have already taken place had the Court not had to reschedule briefing deadlines and the initial oral argument date in light of the government shutdown. The Court considers Petitioners' general request for an adjournment to be reasonable, and thus, the Court grants Petitioners' 134 motion to adjourn oral argument.</p> <p>Nonetheless, adjourning oral argument to a date after July 8, 2019, is not warranted under the circumstances. Petitioners and Respondents have suggested alternative dates for oral argument that would be amenable to both sides. In balancing Petitioners' need for additional time to prepare and Respondents' concern for delaying the resolution of the pending motions, the Court hereby adjourns oral argument to <u>June 10, 2019, at 12:30 PM in US Courthouse, 2 Niagara Square, Buffalo, NY 14202-3350 before the undersigned.</u> The motion hearing will be held at the federal courthouse in Buffalo because the undersigned will be there on trial in a criminal case. If for some reason that changes, the parties will be so advised. SO ORDERED. Signed by Hon. Elizabeth A. Wolford on 5/17/19. (PFC) (Entered: 05/17/2019)</p>
