Plaintiffs,

vs.

FINAL ORDER
APPROVING SETTLEMENT
OF CLASS ACTION

PROGRESSIVE FORESTRY SERVICES, INC.
NORTH AMERICAN LABOR MANAGEMENT INC.
ROBERT WADE ZAHARIE
BRUCE CAMPBELL
EFRAIN VALADEZ;

Defendants.

This matter came before the Court by the parties' Joint Motion for Preliminary Approval of Settlement and Approval of Notice to Class. By Order of May 29, 2002, the Court preliminarily approved the terms of the settlement between the parties and approved the form and manner of notice to be sent to class members.

The approved notice has been sent to class members and radio announcements regarding the

settlement have run in selected states and cities in Mexico; no class members have objected to the proposed settlement. Mr. Mitchell, plaintiffs' financial expert, has reviewed defendants' financial records and reported to plaintiffs that he is satisfied with the representations made by the defendants regarding their financial condition. Now, therefore, it is hereby

ORDERED that the Court finds the settlement between the parties set forth in the Stipulation for Settlement is fair, reasonable, and in the best interests of the class and is therefore approved under Fed.R.Civ.P. 23(e), and the parties are directed to comply therewith.

DATED this 26 day of August, 2002.

GARR M. KING
United States District Judge
