02/01/2005	<u>34</u>	MINUTES OF IN CHAMBERS ORDER by Judge Dean D. Pregerson : COUNSEL ARE NOTIFIED that on the Court's own motion the MOTION TO IMPOSE RULE 11 and Section 1927 Sanctions on Defense Counsel Paul Beach set for 2/7/2005 at 10:00 am, is hereby taken off calendar, the hearing date vacated and will be decided without oral argument. (yl,) (Entered: 02/01/2005)
02/04/2005	<u>35</u>	ORDER by Judge Dean D. Pregerson (1) GRANTING Motion for More Definite 11 and (2) DENYING the Plaintiffs Motion for Sanctions. The Court denies the plaintiffs motion. In their opposition, the defendants counter with a request for sanctions against the plaintiffs counsel. This request has merit. As discussed above, the plaintiffs counsel had previously received an order granting a request for a more definite statement from this Court in a similar situation. Thus, whatever he believed were the merits of the defendants motion, he should have known that it was not frivolous or legally unreasonable. Moreover, the defendants explained that they need plaintiffs full names in order to decide whether to plead an affirmative defense that would otherwise be deemed waived. Thus, the defendants motion was clearly based upon a legitimate motive. The Court cannot be sure that the same can be said of the plaintiffs sanctions

		motion. However, sanctions under Rule 11 are discretionary, and the Court here refrains from ordering sanctions against the plaintiffs counsel. Accordingly, the defendants request for sanctions is denied. (jp,) (Entered: 02/07/2005)

06/28/2005	<u>149</u>	MINUTES OF IN CHAMBERS ORDER by Judge Stephen J. Hillman [SEE MINUTE ORDER] this court's 5/5/05, order continued the previously noticed depositions to no earlier than 7/2/05. Plaintiff's counsel apparently construes the 5/5 order as effectively taking the depositions off calendar, thereby rendering the instant motion premature. However, although no dates are currently set for the depositions, plaintiff apparently intends to reset the depositions. This court's 5/5 order continued the depositions, but did not take them off calendar in the sense that the current motion is now moot. Therefore, if plaintiff intends to renotece the subject depositions at any time prior to the discovery cut off date, the court will deem the instant motion ripe, and plaintiff shall file and serve his opposition to the motion no later than 7/8/0f. Defendants may file and serve a reply no later than 7/13/05. Consideration of the motion at this time will afford the court amply opportunity to rule on the substance of the motion. Given the procedural posture of this motion, L.R. 37 is waived. Hearing on this mootion has been continued to 7/18/05 at 2:00 p.m. RE: Motion Related Document, 133 In Chambers Order/Directive – no proceeding held <u>94</u> . Tape #: NA. The court did not receive Plaintiff's Statement, filed June 17, 2005, until after the court issued its June 28, 2005 Minute Order. In light of plaintiffs' counsel's promise to provide at least 45 days notice if he decides to re-serve deposition notices for the Supervisor Defendants, counsel's suggestion that the instant motion is not ripe is reasonable. 03/24/2006	<u>340</u>	ORDER by Judge Dean D. Pregerson,This matter is before the Court on the plaintiffs' motion to reconsider the March 3, 2006 ruling of Magistrate Judge Hillman. On February 28, 2006, the defendant filed a document entitled 'Defendant's Request to Strike Plaintiffs' Motion to Compel Deposition of Defendant Baca.' Judge Hillman interpreted the filing as an ex parte application. When the plaintiffs did not oppose the request on an expedited time frame, Judge Hillman granted the request.

		(Order 03/03/06.) The document was not labeled an ex parte application, and Judge Hillman's interpretation of it as such was in error. The plaintiffs are directed to file a new motion to compel before Judge Hillman pursuant to Rule 37.(jc,) (Entered: 03/24/2006)

04/06/2006	<u>350</u>	MINUTES OF Motion Hearing held before Judge Stephen J. Hillman : Defendant's Motion for Protective order. Prior to ruling on this motion, court inquiries of defendant whether he concedes he will be a trial witness in this action. The court notes that he is only named defendant. If he will be a trial witness, the case law relied upon by defendant (which generally restricts deposition of high ranking government officials) is inapposite. On the othe hand, if Sheriff Baca in not going to be a trial witness, then his Motion for Protective order may be metitorious, since plaintiff has not in a timely fashion first propounded written discovery to the County. 05/15/2006	<u>390</u>	MINUTES OF IN CHAMBERS ORDER held before Judge Stephen J. Hillman: RE: MEMORANDUM in Opposition to Motion 289 . Defendant's motion for terminating sanctions or other relief as to plaintiff Gipson has been taken under submission following oral argument on 5/8/06. The court has also reviewed the lodged transcript of plaintiff gipson's partial deposition (particularly pp. 128-32), taken on 1/19/06. [SEE MINUTE ORDER] The court finds that if Mr. Yagman had simply clarified on 1/19th that Mr. Quintana still intended to dismiss his lawsuit, and would not be appearing for deposition that day, defense counsel surely would have completed Mr. Gipson's deposition on that same day. Mr. Yagman's failure to clarify the situation when he had every opportunity to do so, knowing that mr. Oyster had not been present in court on 12/19th, was gamesmanship in its purest form. to compound that gamesmanship by requiring defendants to file this motion in santionable. the court therefore finds that mr. Yagman's opposition to Mr. Gipson's deposition being completed is without substantial justification, and that sanctions must be imposed. Tape #: 06-20.(dam) (Entered: 05/16/2006)
