Dear Folks:

Enclosed please find the following:

1. Copy of letter in connection with the Governor's refusal to sign off on the settlement agreement.
2. List of individuals who received the notice we posted of the proposed settlement.

With regard to 1 above, I'm trying to determine the Governor's reasons, if possible.

With regard to 2 above, I'm requesting Peters to give me the instruction letter sent with regard to providing notice. My phone has rung off the hook from inmates who are totally confused as to what is going on which would give me a good indication that the notice is effective. On the other hand, some will say they didn't get notice down the line. You can bet on it.

Peters is concerned that as to the form of notice that went out, it indicated the Governor's sign-off. Inasmuch as he hasn't, Peters raises the question of what to do now. My inclination is to do nothing.

I still hope we can plan to get together with regard to compliance if it fits with everyone's schedule.

Kind personal regards,

Wm. J. Sheppard
