FOR THE DISTRICT OF IDAHO**

AMANDA DAVIS, et al,

Plaintiffs,

vs.

CANYON COUNTY, IDAHO, et al.,

Defendants.

Case No. 1:09-CV-107-BLW

**SECOND AMENDMENT TO CONSENT
DECREE, ORDER AND JUDGMENT**

The parties hereto, by and through their counsel of record, do hereby stipulate (Docket No. 43) and agree that the Consent Decree, Order and Judgment that was approved by the United States District Court, District of Idaho, on November 12, 2009, shall be amended to include new paragraph 20.a. which shall read as follows:

20. a. The County has determined that it is now beneficial to house its work release prisoners in Pod 4, Unit N of the DCHC. As a unit for work release prisoners, it has a functional capacity of 40 prisoners according to the Idaho Jail Standards. Accordingly, paragraph 20 of the Consent Decree shall be amended to allow a functional capacity in Unit N of 40 prisoners on the following conditions:

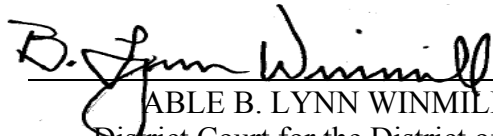

1. The functional capacity of Unit N in its present configuration shall be 40 prisoners as long as it is utilized as a work release housing unit.
2. Only work release prisoners will be housed in Unit N, with no exceptions. The parties agree that the issues identified above relate to alleged deficient conditions of confinement in the Canyon County Jail and the resolution of those issues. The

parties stipulate that the terms of this Second Amendment to the Consent Decree, Order and Judgment extend no further than necessary to satisfy the requirements of 18 U.S.C. § 3626 (a)(1)(A).

The Court hereby approves and adopts the Amendment to Consent Decree, Order, and Judgment.

DATED this 3rd day of January, 2011.
