07/17/2009	<u>1090</u>	MINUTE entry before the Honorable Virginia M. Kendall: Status hearing held and continued to 2/26/2010 at 10:00 am. The court finds that there is currently no overcrowding at the Cook County Jail. Although a technical overcrowding exists in Cermak Health Center, the parties and Court agree that the overcrowding should be permitted at this stage for the reasons stated in open court based on the advice of the medical professionals who operate that unit. The Court finds that Defendants are in violation of paragraph 3 of the Consent Decree in that the Defendants have not hired staff members to fully staff the facility in spite of their agreement to do so in February 2006. Defendants are directed to hire 210 correctional officers. Plaintiff's motion for Implementation of Proposal for Elimination of Overcrowding in the Jail <u>1048</u> is

		denied without prejudice as moot. Defendant Dart's motion to vacate or modify the Court's Ruling of August 22, 2008 <u>1056</u> is denied. Plaintiff's motion for overcrowding, staffing, and other relief <u>1079</u> is granted in part in that Defendant Cook County is ordered to supply the population count to all bond courts each day and is ordered to hire 210 new correctional officers forthwith. Defendant Commissioners are ordered to complete a study as outlined in open court to address the environmental conditions and the shortage of tradesmen to address those issues by 10/15/2009 and to provide the study to the Court and the parties. The John Howard Association report is due to the Court and all parties on 1/15/2010. The parties are given to 2/15/2010 to file a response to the monitor's report.
