Opinion

ORDER ON PLAINTIFF'S MOTION TO EXCLUDE TESTIMONY BY DR. ROBINSON BEYOND THE SCOPE OF DISCLOSURE

GENE CARTER, Senior District Judge.

*1 Now before the Court for pretrial consideration is Plaintiffs Motion to Exclude Testimony by Dr. Robinson Beyond the Scope of Disclosure (Docket Item No. 278). After full review of the written submissions on the Motion and despite any “rumblings” by defense counsel to the contrary notwithstanding, Defendant shall be limited at trial to admission of any of those opinions of Dr. Robinson within the scope of his expert witness designation and those fairly disclosed in his deposition (as defendants concede). The Court will rule on any objections to testimony alleged to be beyond the scope of articulated objections timely made at trial on the basis of the Court’s interpretation at the time of trial of the content of the designation and the deposition testimony.

SO ORDERED.
