Re: United States v. City of Forest, Mississippi, et al.

Dear Mr. Phillips:

In accordance with our conversation, I am enclosing an original and four copies of the Complaints, Certificates, and Consent Orders in the above-referenced matters involving our investigations into conditions at the Forest City Jail.

Your signature is needed on the Consent Decree and Complaint prior to filing with the Court on November 15, 1994.

As discussed, the parties to this Consent Decree seek to have it entered as an order of the Court. Accordingly, the last page of the Consent Decree provides space for the signature and entry of the Order by the District Court Judge. Please have a copy of the filed Complaints and Consent Orders date stamped and returned to us in the enclosed envelope. Kindly serve the Complaints and Orders on opposing counsel in the pre-addressed envelopes enclosed.

As soon as the papers are filed, please contact me at (202) 514-6264 so that we can make final arrangements as to the press release. A copy of that press release will be telefaxed to your office.
