

and belief, this policy is, in part, derived from the written procedures of the Clatsop County Sheriff's Department, and was promulgated by senior Department officials; specifically, Defendant Tom Bergin.

It has been well established in this judicial circuit for many years that individuals charged with misdemeanors or violations cannot be strip-searched absent particularized suspicion that they possess weapons or contraband. In fact, several judges in this Judicial District, as well as the United States Court of Appeals for the Ninth Circuit, have recently held that blanket strip search policies/practices like those in dispute in this case are unconstitutional. In short, the policy of Clatsop County and the Clatsop County Sheriff's Department of forcing those charged with minor crimes to undergo the indignities of a strip search upon entry into the Clatsop County Jail is not only clearly illegal, but is degrading, insensitive and unnecessary.

Darrell Rollins, Debbi Davis, Tyler King, Noel Leroux, David Menken, Stephen Schwanbeck, and Brandi Stephens bring this action on behalf of themselves, and on behalf of a class of thousands of others who were strip searched after being charged with petty crimes, to vindicate the clear and unnecessary violation of his civil rights and those of the class members he proposes to represent. Mr. Rollins was taken in on allegations of Resisting Arrest. Mr. Rollins was transported to the Clatsop County Jail and was subjected to a strip search, in violation of his right against unreasonable searches under the Fourth Amendment of the United States Constitution. He seeks monetary damages for himself and each member of the proposed class, a declaration that the Sheriff's Department's policies/practices are unconstitutional, and an injunction precluding Clatsop County and the Clatsop County Sheriff's Department from continuing to violate the rights of those placed into their custody. With this as a background, Plaintiff Darrell Rollins, et al through counsel, hereby complains as follows:

13. Sheriff Bergin will be referred to as the "Policy Making Defendant."

### **CLASS ACTION ALLEGATIONS**

14. Plaintiff brings this action pursuant to Rules 23(b)(1), 23(b)(2) and 23(b)(3) of the Federal Rules of Civil Procedure on behalf of themselves and a class of similarly situated individuals who were charged with misdemeanors or minor crimes and were strip searched upon their entry into the Clatsop County Jail.

15. The class that Plaintiffs seek to represent is defined as follows:

All persons who have been or will be placed into the custody of the Clatsop County Jail after being charged with misdemeanors, violations, violations of probation or parole, traffic infractions, civil commitments or other minor crimes and were or will be strip searched upon their entry into the Clatsop County Jail pursuant to the policy, custom and practice of the Clatsop County Sheriff's Department and Clatsop County. The class period commences on November 8, 2005 and extends to the date on which the Clatsop County Sheriff's Department and/or the County of Clatsop are enjoined from, or otherwise cease, enforcing their unconstitutional policy, practice and custom of conducting strip searches absent reasonable suspicion. Specifically excluded from the class are Defendants and any and all of their respective affiliates, legal representatives, heirs, successors, employees or assignees.

16. This action has been brought and may properly be maintained as a class action under Federal law and satisfies the numerosity, commonality, typicality and adequacy requirements for maintaining a class action under Fed. R. Civ. P. 23(a).

17. The members of the class are so numerous as to render joinder impracticable. Upon information and belief, there are hundreds of people arrested for misdemeanors and violations who are placed into the custody of the Clatsop County Jail every month – all of whom are members of the proposed class. Upon information and belief, the size of the proposed class totals at least 1,000 individuals, some of whom have had their civil rights violated on multiple occasions.

18. Upon information and belief, joinder of all of these individuals is impracticable because of the large number of class members and the fact that class members are likely dispersed over a large geographical area, with some members presently residing outside of Clatsop County and this Judicial District. Furthermore, upon information and belief, many members of the class are low-income persons, may not speak English, and likely would have great difficulty in pursuing their rights individually.

19. Common questions of law and fact exist as to all members of the Class, in that they all had their right to be free from unreasonable searches violated by Defendants' conducting strip searches absent particularized suspicion. All members of the class were charged with misdemeanors or violations when placed into the custody of the Clatsop County Jail, and all were illegally strip searched in violation of the clearly established law in this judicial circuit.

20. Plaintiff's claims are typical of the claims of the members of the Class. Plaintiff and all members of the class sustained damages arising out of Defendants' course of conduct. The harms suffered by the Plaintiff are typical of the harms suffered by the class members.

21. The representative Plaintiff has the requisite personal interest in the outcome of this action and will fairly and adequately protect the interests of the Class. Plaintiff has no interests that are adverse to the interests of the members of the Class.

22. Plaintiff has retained counsel who has substantial experience and success in the prosecution of civil rights litigation.

23. Counsel for Plaintiff knows of no conflicts among members of the class, or between counsel and members of the class.

24. This action, in part, seeks declaratory and injunctive relief. As such, the Plaintiff seeks class certification under Fed. R. Civ. P. 23(b)(2), in that all class members were subject to

the same policy requiring the illegal strip searches of individuals charged with misdemeanor or minor crimes and placed into the custody of the Clatsop County Jail. In short, the County of Clatsop, the Clatsop County Sheriff's Department, the Policy Making Defendants and Clatsop County Corrections Officers acted on grounds generally applicable to all class members.

25. In addition to certification under Rule 23(b)(2), and in the alternative, Plaintiff seeks certification under Rule 23(b)(3).

26. Common questions of law and fact exist as to all members of the Class, and predominate over any questions that affect only individual members of the Class. These common questions of law and fact include, without limitation, the common and predominate question of whether the Defendants' written and/or *de facto* policy/practice of strip searching all individuals charged with misdemeanors or minor crimes and committed to the Clatsop County Jail is a violation of the Fourth and Fourteenth Amendments to the United States Constitution, and whether such a written and/or *de facto* policy existed during the class period.

27. A class action is superior to other available methods for the fair and efficient adjudication of this controversy, since joinder of all of the individual members of the class is impracticable given the large number of class members and the fact that they are dispersed over a large geographical area. Furthermore, the expense and burden of individual litigation would make it difficult or impossible for individual members of the class to redress the wrongs done to them. The cost to the federal court system of adjudicating thousands of individual cases would be enormous. Individualized litigation would also magnify the delay and expense to all parties and the court system. By contrast, the conduct of this action as a class action in this District presents far fewer management difficulties, conserves the resources of the parties and the court system, and protects the rights of each member of the Class.

28. Upon information and belief, there are no other actions pending to address the Defendants' flagrant violation of the civil rights of thousands of individuals, even though the Defendants have maintained their illegal strip search regimen for the past several years.

29. In the alternative to certification under Fed. R. Civ. P. 23(b)(3), Plaintiffs also seek partial certification under Fed. R. Civ. P. 23(c)(4).

## **FACTS**

### **Facts Applicable to the Class Generally**

30. The Fourth Amendment of the United States Constitution prohibits state officials, such as the Policy Making Defendants in this action and the Corrections Officers they supervise, from performing strip searches of arrestees who have been charged with misdemeanors or other minor crimes unless the officer has reasonable suspicion to believe that the arrestee is concealing a weapon or contraband.

31. Upon information and belief, the County of Clatsop, the Clatsop County Sheriff's Department and the Policy Making Defendants have instituted a written and/or *de facto* policy, custom or practice of strip searching all individuals who enter the custody of the Clatsop County Jail (by forcing them to remove their clothing for a visual inspection of their bodies and/or forcing them to submit to a visual inspection of their body cavities) and are placed into jail clothing, regardless of the nature of their charged crime and without the presence of reasonable suspicion to believe that the individual was concealing a weapon or contraband. For purposes of this Complaint, strip and visual cavity searches are collectively referred to as "strip searches."

32. The County of Clatsop, the Clatsop County Sheriff's Department, and the Policy Making Defendants know that they may not institute, enforce or permit enforcement of a policy or practice of conducting strip searches without particularized, reasonable suspicion. This judicial circuit has stated repeatedly that state officials may not strip search individuals charged with misdemeanors or violations absent particularized, reasonable suspicion, with this principle being clearly established in *Kennedy v. Los Angeles P.D.*, 901 F2d 702, 711, (9<sup>th</sup> Cir. 1990).

33. The Defendants' written and/or *de facto* policy, practice and custom mandating wholesale strip searches of all misdemeanor and violation arrestees has been promulgated, effectuated and/or enforced in bad faith and contrary to clearly established law.

34. Reasonable suspicion to conduct a strip search may only emanate from the particular circumstances antecedent to the search, such as the nature of the crime charged, the particular characteristics of the arrestees, and/or the circumstances of the arrest.

35. Upon information and belief, the County of Clatsop, the Clatsop County Sheriff's Department and Policy Making Defendants have promulgated, implemented, enforced, and/or failed to rectify a written and/or *de facto* policy, practice or custom of strip searching all individuals placed into the custody of the Clatsop County Jail and placed into jail clothing without any requirement of reasonable suspicion, or indeed suspicion of any sort. This written and/or *de facto* policy made the strip searching of pre-trial detainees routine; neither the nature of the offense charged, the characteristics of the arrestee, nor the circumstances of a particular arrest were relevant to the enforcement of the policy, practice and custom of routine strip searches.

36. Pursuant to this written and/or *de facto* policy, each member of the Class, including the named Plaintiff, was the victim of a routine strip search upon their entry into the Clatsop County Jail. These searches were conducted without inquiry into or establishment of reasonable suspicion, and in fact were not supported by reasonable suspicion. Strip searches are conducted for individuals arrested for, among other innocuous offenses, Driving While Intoxicated, Harassment and Trespassing.

37. As a direct and proximate result of the unlawful strip search conducted pursuant to this written and/or *de facto* policy, the victims of the unlawful strip searches – each member of

the class, including the named Plaintiffs – has suffered or will suffer psychological pain, humiliation, suffering and mental anguish.

**AS AND FOR A FIRST CAUSE OF ACTION AGAINST ALL DEFENDANTS**

**Violation of Constitutional Rights Under Color of State Law**

**-- Unreasonable Search and Failure to Implement Municipal Policies to Avoid  
Constitutional Deprivations Under of Color of State Law --**

75. Plaintiffs incorporate by reference and realleg each and every allegation stated in paragraphs 1 through 74.

76. The Fourth Amendment of the United States Constitution protects citizens from unreasonable searches by law enforcement officers, and prohibits officers from conducting strip searches of individuals arrested for misdemeanors or violations absent some particularized suspicion that the individual in question has either contraband or weapons.

77. The actions of Defendants detailed above violated Plaintiff's rights under the United States Constitution. Simply put, it was not objectively reasonable for Clatsop County Corrections Officers to strip search Plaintiff and class members based on their arrests for misdemeanor/violation charges. It was also not objectively reasonable for the Policy Making Defendants to order/direct Clatsop County Corrections Officers to conduct such searches.

78. These strip searches were conducted pursuant to the policy, custom or practice of the County of Clatsop and the Clatsop County Sheriff's Department. As such, the County of Clatsop is directly liable for the damages of the named Plaintiff and members of the Class.

79. Upon information and belief, Sheriff Bergin is responsible for establishing the policies and procedures to be utilized in the operation of the Clatsop County Jail, and is responsible for the implementation of the strip search policy questioned in this lawsuit. As such, Roberts is individually responsible for the damages of the named Plaintiff and members of the Class.

80. Sheriff Bergin knew that strip search policy was illegal, and acted willfully, knowingly, and with specific intent to deprive Plaintiff and members of the Class of their Constitutional rights.

81. This conduct on the part of all Defendants represents a violation of 42 U.S.C. § 1983, given that their actions were undertaken under color of state law.

82. As a direct and proximate result of the unconstitutional acts described above, Plaintiff and members of the proposed class have been irreparably injured.

**AS AND FOR A SECOND CAUSE OF ACTION AGAINST ALL DEFENDANTS**

**-- Demand for Declaratory Judgment --**

83. Plaintiffs incorporate by reference and reallege each and every allegation stated in paragraphs 1 through 82.

84. The policy, custom and practice of the Clatsop County Sheriff's Department, the County of Clatsop and the Policy Making Defendants is clearly unconstitutional, in that these entities and individuals are directing/conducting the strip searches of all individuals placed into the Clatsop County Jail without any particularized suspicion that the individuals in question have either contraband or weapons.

85. Plaintiff and members of the Class request that this Court issue a declaratory judgment, and that it declare the strip search policy of the County of Clatsop and the Clatsop County Sheriff's Department to be unconstitutional.

**AS AND FOR A THIRD CAUSE OF ACTION AGAINST ALL DEFENDANTS**

**-- Demand for Preliminary and Permanent Injunction --**

86. Plaintiffs incorporate by reference and reallege each and every allegation stated in paragraphs 1 through 85.

87. The policy, custom and practice of the Clatsop County Sheriff's Department, the County of Clatsop and the Policy Making Defendants is clearly unconstitutional, in that these entities and individuals are directing/conducting the strip searches of all individuals placed into the Clatsop County Jail without any particularized suspicion that the individuals in question have either contraband or weapons.

88. Upon information and belief, this policy is currently in place at the Clatsop County Jail, with new and/or prospective members of the Class being subjected to the harms that have already been inflicted upon the named Plaintiff.

89. The continuing pattern of strip searching individuals charged with minor crimes will cause irreparable harm to the new and/or prospective members of the Class, an adequate remedy for which does not exist at law.

90. Plaintiff demands that the County of Clatsop, the Clatsop County Sheriff's Department, the Policy Making Defendants and Clatsop County Corrections Officers immediately desist from strip searching individuals placed into the custody of the Clatsop County Jail absent any particularized suspicion that the individuals in question have either contraband or weapons, and seek both a preliminary and permanent injunction from this Court ordering as much.

**DEMAND FOR PUNITIVE DAMAGES**

91. The actions of the Individual Defendants detailed herein are outrageous, in that they continue to propagate an illegal strip search policy even though they know for a fact that their actions are unconstitutional.

92. It is clear that the Policy Making Defendants, the County of Clatsop and the Clatsop County Sheriff's Department have no respect for the civil rights of individual citizens or for the rule of law. Consequently, an award of punitive damages is necessary to punish the Policy Making Defendants, and to send a message to them that the requirements of the United States Constitution also apply to government officials in Clatsop County.

**DEMAND FOR TRIAL BY JURY**

93. The Plaintiffs hereby demand a trial by jury.

**PRAYER FOR RELIEF**

WHEREFORE, Plaintiffs Darrell Rollins et al, on behalf of themselves and on behalf of a class of others similarly situated, request that this Honorable Court grant them the following relief:

- A. An order certifying this action as a class action pursuant to Fed. R. Civ. P. 23.
- B. A judgment against all Defendants, jointly and severally on Plaintiffs' First Cause of Action detailed herein, awarding Compensatory Damages to each named Plaintiff and each member of the proposed class in an amount to be determined by a Jury and/or the Court on both an individual and a class wide basis.

C. A judgment against Defendant Bergin on Plaintiff's First Cause of Action for \$1,000,000.00 in punitive damages.

D. A declaratory judgment against all Defendants declaring the County of Clatsop and the Clatsop County Sheriff's Department's policy, practice and custom of strip and visual cavity searching all detainees entering the Clatsop County Jail, regardless of the crime charged or suspicion of contraband, to be unconstitutional and improper.

E. A preliminary and permanent injunction enjoining Defendants from continuing to strip and visual cavity search individuals charged with misdemeanors or minor crimes absent particularized, reasonable suspicion that the arrestee subjected to the search is concealing weapons or other contraband.

F. A monetary award for attorney's fees and the costs of this action, pursuant to 42 U.S.C. § 1988 and Fed. R. Civ. P. 23
