Filed ORDER modifying the court's order of 6/7/77 in the following particular: the defts. will not be required to have a male guard on duty on the 5th floor of the present jail so long as the defts. do not place on said 5th floor any males except those classified as "low-risk misdemeanor defts." The required number of matrons will still be utilized on the 5th floor as contemplate in this court's original order. This order is being entered ex parte due to the fact that the juveniles, heretofore housed on the 5th floor, are being removed from this 5th floor to the new Juvenile Detention Center & the above change is needed to alleviate crowded conditions. Further, the court has been advised that an entire new jail structure will be completed on or about 3/1/81 & this change will be in effect only until the new jail is completed. In the event the counsel for the pltfs. & intervenor wish to object to the entry of this order, such objection shall be filed & considered by the court, but the objection should be filed o/b 12/1/80. In the meantime, the changes may be initiated by the defts. as above contemplated. Copies to counsel.

Filed letter from Asst. District Attorney Yvonne M. Faulks w/ attachments. (copy to Benson & govt. per Judge's instructions)
