11/01/1995	152	Minute entry: This matter came before the Ct for pretrial and to hear mot/amend judgment. After hearing arguments of cnsl, motion to amend judgment was denied. Pla's motion in limine to preclude the defs from mentioning that the pla used marijuana or other drugs on some prior occasion. The Ct granted the motion and no mention of the use of drugs used by the pla will be brought up. Arguments were heard on defs' objections to pla's proposed list of witnesses and exhibits argued. With respect to the testimony of Dr. Kennedy - Ct ruled his testimony is not admissible. Ct ruled that the testimony of Stacey Ashley and Don Blair is not admissible. Ct further ruled that it will now allow any evidence about the misconduct of Trooper Howe to be attempted to be brought into this case, w/o further discussion with the Ct out of the presence of the jy by strategy or other. Ct ruled that admission has been made that there was no evidence of any drugs/alcohol used by Ms. Foote on 5/4/94. That admission has been made. W/respect to testimony from Renee Black, Lisa Foote and Susan Mahoney - Ct will allow ltd testimony as to these witnesses. As to Lane Bushnell, cnsl advised the Ct that he has been taken off the list of witnesses as well as a Mr. Grodett. As to Thayes Ludlow - this witness will not be called. As to witness Ms. Ure this testimony not admissible. As to witness, Ben Evenhuis of the Drivers License Bureau to testify - cnsl should stipulate that the pla had to go over to the Drivers License Bureau Hrg. and further stipulate that the criminal chgs were dropped. Ms. Foote can testify to the anguish she went through to go to the hrg. of Shelby McEwen is not ruled out but limited as more fully reflected in the record. Dr. Kevin McClosky testimony not allowed. Exhibits as to Dr. McClosky are not to be brought in. As to Dr. Waite, psychologist, defs do not intend to introduce the "incest evd". Plaintiff w/d his objection. This trial was set for jy trl on 11/15/95 at 9:00 A.M. Defense cnsl indicated they may appeal the Ct's ruling denying motion to amend judgment. Ct denied [145-1] motion to amend. Ct granted [143-1] motion in limine as more fully reflected in the reocrd. Judge: David K. Winder Court Reporter: Rebecca Janke Deputy: Lois Wallberg Modified on 11/08/1995 (Entered: 11/07/1995)

08/01/1997	174	Certified copy of mandate from USCA Re: [150-1] cross appeal, [146-1] appeal affirmed in part & reversed in part. The USCA for the Tenth Circuit dismisses for lack of jurisdiction Foote's cross-appeal and defendants' appeal of the district court's ruling that Howe lacked reasonable suspicion that Foote was driving while under the influence. The USCA reverses the court's ruling that Howe's initial approach to Foote's vehicle rendered the detention unlawful (although a finding may be made upon remand that the initial stop was unlawful and therefore tainted the detention), affirm the denial of qualified immunity for the strip search, and remand for further proceedings. The jgm in the USDC-UT is reversed, remanded and affirmed according to the USCA for the Tenth Circuit. (asb) (Entered: 08/01/1997)
