SUBJECT: *E.R. v. McDonnell, et al.*
(Denver Conditions of Confinement Litigation)

DATE: July 14, 1995

We have recently settled our lawsuit in Denver over conditions of confinement at the Phillip B. Gilliam Youth Services Center. We thought you would be interested in the enclosed description of the problems we addressed through the litigation, and the positive changes the lawsuit will bring.

We are very pleased with the results of the suit, and especially with the relatively short time frame within which improvements in the facility will be accomplished. If you have any questions or comments, please feel free to call any one of us.
