01/27/2014	528	ENDORSED ORDER: With respect to the proposed findings of fact and conclusions of law, the plaintiffs move for an enlargement of the page limitation and for an extension of the time for filing. The <u>527</u> motion is GRANTED IN PART and DENIED IN PART. The page limitation is enlarged to 130 pages, and the time for filing is extended through February 21, 2014 (to aid in careful editing). The defendants' deadlines are extended accordingly. The parties are reminded to observe carefully the Local Rules governing margin and double-spacing (i.e., not 1.9 spaces but 2.0 spaces between lines of text). As the instant motion confirms, even a small non-conformity, continued across many pages, yields a material and unacceptable disparity among the parties. Signed by Judge Steven D.
