Case Number: 94-4079-DES

Dear Mike:

I appreciate the opportunity to speak with you earlier today. Per your request, please find enclosed your copy of the Amended Complaint in the above entitled matter. I have also enclosed a copy of Judge Saffel's Order dated August 2, 1994 and the attached Joint Stipulation of Partial Settlement of Motion for Preliminary Injunction. The areas encompassed by this Order and Motion are: (1) overcrowding of the SCYC facility; (2) use of isolation; (3) use of force or restraints; (4) provision of adequate and necessary medical care; and (5) confidentiality of communication between children confined at SCYC and their attorneys.

Thanks for your interest and your help. Should you have any questions, please feel free to give me a call.

Sincerely,

Larry R. Rute
