U.S. v. District of Columbia

NH-DC-001-011

Civ. No. 95-948 (TFH)

APR 26 1996

Clerk, U.S. District Court  
District of Columbia

ORDER

Before the Court are motions by the plaintiff and plaintiff-intervenor for further remedial relief and sanctions in light of the defendants' noncompliance with orders of the Court. In order to resolve these motions, the Court must obtain complete and accurate information about the defendants' noncompliance, including the status of payments to various vendors serving D.C. Village. It has been particularly difficult for the Court to learn about these vendor payments because the defendants have stated that the District of Columbia Financial Responsibility and Management Assistance Authority, and not the defendants, is responsible for some of the delay in paying the vendors and arranging contracts with them.

For this reason, it is **ORDERED** that a representative from the District of Columbia Financial Responsibility and Management Assistance Authority who is familiar with and responsible for the payments and contracts associated with D.C. Village appear before the Court

at 2:30 on Monday, April 29, 1996, at which time the Court will inquire into the circumstances surrounding the defendants' noncompliance.

It is **FURTHER ORDERED** that the defendants shall designate a representative from the District of Columbia Department of Human Services who is familiar with and responsible for the payments and contracts associated with D.C. Village. The Court suggests that the Interim Administrator for Long Term Care may be the appropriate designee. The designee shall appear before the Court at 2:30 on Monday, April 29, 1996.
