**ORDER**

For good cause shown, the Court hereby **ORDERS** that Plaintiffs are relieved from the requirement set forth in Local Rule 23-3 that a motion for class certification be filed within 90 days after service of a pleading purporting to commence a class action.

In the event that Plaintiffs' claims against the Official Capacity Defendants are not dismissed, then within 21 days after any decision by this Court denying any initial dispositive motion filed in response to the Complaint by the Official Capacity Defendants, or within 21 days after the deadline for such a motion has passed without its filing, the Plaintiffs and Official Capacity Defendants shall submit a joint report setting forth their respective positions on class certification matters, including their positions concerning class discovery and the scheduling of class certification proceedings.

**IT IS SO ORDERED.**
