PLAINTIFFS' REPORT TO THE COURT AS TO REMAINING ISSUES ON REMAND

In connection with Document No. 84 and pursuant to the Court's request at the October 31, 2013 status conference, counsel for Plaintiff reports to the Court that Plaintiffs do not believe that there are remaining issues in this matter following the determination of the Court of Appeals for which it would be economical or productive to pursue; accordingly, Counsel reports that no further litigation in this action will be pursued in the District Court by Plaintiffs, subject to any remand or other directive that may arise on appeal or in connection with a pending Petition for Writ of Certiorari in the Supreme Court.

Counsel make no waiver of any future right or capacity to represent in any new proceeding concerning the statute at issue other parties based on their particular factual or legal issues or the present plaintiffs based on new factual or legal matters that should subsequently arise or be disclosed.

Counsel for plaintiffs thank the Court for its many courtesies and attention to this action.

Respectfully submitted,

S/Bruce I. Afran
