Dear Mr. Marshall,

I would like to thank you for the action in Shreveport, Louisiana in requiring orders that desegregated the bus station and airport.

This is of great importance and informs all concerned that orders of the court will be obeyed. I hope, now, that a committee will be formed to study and solve all of the other problems, maybe this would be asking too much of Shreveport.

Thank you again and may God continue to bless you.

Sincerely,
C.O. Simpkins
