01/27/2006	<u>397</u>	INTERIM ORDER by Judge A. Howard Matz: The Court has decided not to appoint a successor Special Master at this time. The Court will not hold a Status Conference on Plaintiffs' Request for the Appointment of Dr. Sundram as Successor Special Master. The Court invites Plaintiffs to respond to Defendant's 1/17/2006 objections to the appointment of Dr. Sundram and to Defendant's alternative proposal that the Court appoint Ms. Marsha Kinsley as successor Special Master instead. The response shall be filed by not later than 2/21/2006. The Court orders that five additional focused review of the Mental Health Plans' performance be conducted and completed by 7/31/2006. Plaintiff may propose the five counties to be reviewed, and Defendant must accept no fewer than three of the counties that Plaintiffs propose. Plaintiffs may also propose a review protocol, and Defendant shall act reasonably in evaluating Plaintiffs' proposals. The Court orders Plaintiffs to file, by no later than 2/21/2006, the evidence demonstrating what Ms. Bird represented to the Court at the 10/21/2005 hearing—i.e., that TBS has saved

		childrens' lives and has made a difference. Court orders Defendant to show cause why it cannot assure that at least 400 additional class members will receive TBS for fiscal year 05–06, compared to the previous year. Such cause shall be shown by not later than 3/10/2006. Defendant shall prepare and deliver to counsel for Plaintiffs one report that compares the access to out–patient specialty mental health services offering TBS by foster children placed in their county of adjudication to the access to such services by foster children placed outside of their county of adjudication. The report shall be made available to Plaintiffs by not later than 3/10/2006. Court Orders that by not later than 3/10/2006, Defendant shall submit a declaration of the appropriate state official setting forth how much additional monies resulting from the 2004 statewide proposition have been budgeted for the programs that would be responsible for compliance with the Amended Judgment. Howard Matz : Pursuant to Federal Rule of Civil Procedure 60(b)(5), Defendant Sandra Shrewy, Director of Health Services (DHS) for the State of California, moves for relief from the 5/10/01 Judgment and Permanent Injunction, the 1/29/04 Interim Order Clarifying Judgment, the 4/22/04 Amended Judgment and Permanent Injunction, and the 7/29/04 Order Re: Plan to Increase TBS Utilization. For the purposes of this Order, these four rulings will be collectively referred to as the "Injunction." The Injunction issued after Defendant conceded liability as to Plaintiffs' claim that certain provisions of the Medicaid Act relating to "early and periodic, screening, diagnostic, and testing" services required Defendant to provide therapeutic behavioral services to the plaintiff class. Because Defendant has failed to establish that a significant change in facts or law warrants revision of the Injunction, the Court DENIES Defendant's motion for relief from judgment 394 . 05/19/2006	<u>444</u>	MINUTES OF IN CHAMBERS ORDER held before Judge A. Howard Matz : Pursuant to Federal Rule of Civil Procedure 62(c), Defendant Sandra Shewry, Director of Health Services (DHS), moves to stay the enforcement of the Amended Judgment and Permanent Injunction and all subsequent orders granting further relief (collectively, the "Judgment") pending appeals from the 2/28/06 denial of her Rule 60(b)(5) motion for relief and the 1/27/06 Interim Order that, among other things, mandated five additional focused reviews 436 . I find that Defendant's appeals do not have a high probability of success and, indeed, do not raise serious questions going to the merits. Given that finding it is unnecessary to elaborate on Defendant's other arguments concerning irreparable injury, the public interest, and prejudice to Plaintiffs, all of which appear unpersuasive anyway. Accordingly, I DENY Defendant's motion. Court Reporter: Not Reported. (smo,) (Entered: 05/19/2006)

02/12/2008	<u>525</u>	ORDER re: Tentative Appointment of Richard Saletta as Special Master: The Court has decided to select Richard Saletta as Special Master. In reaching this decision, the Court has carefully reviewed all of the materials submitted to the Court pursuant to the Courts December 13, 2007 Order. The Court does not accept either candidates assessment that it will take some three years to accomplish compliance with the Amended Judgment, and the Court is not at this time prepared to extend jurisdiction for that length of time, much less appoint a Special Master for a minimum of three years. Having tentatively chosen Mr. Saletta, the Court is compelled to note that it does not view the first of Mr. Salettas three phase Solution-Focused Decision Making Process (the Readiness Phase) as warranting a period of several months.... Instead, the Court would expect Mr. Saletta and the parties to undertake as soon as possible the second (Design) Phase that he proposed. The Court has substantially revised the last draft it circulated concerning the appointment of a Special Master. It is attaching that document, in draft form, to this Order, without the name of the appointee filled in. In his January 7, 2008 Supplemental Report, Mr. Saletta stated that he would expect and accept a minimum term of appointment to be three years. The question now is: is Mr. Saletta prepared to accept the appointment for not more than eighteen months (at least at the outset) and under the terms set forth in the attachment? Defendant shall notify the Court of his response by not later than February 15, 2008. (smo) (Entered: 02/12/2008)
