11/03/2020		MINUTE ORDER granting 67 Motion for Further Relief. It is hereby ORDERED that, beginning no later than 12:30 PM EST today, Defendants shall send Postal Service inspectors or their designees, to processing facilities in the following Districts and direct them to sweep the facilities between 12:30 PM EST and 3:00 PM EST to ensure that no ballots have been held up and that any identified ballots are immediately sent out for delivery: Central Pennsylvania, Philadelphia, Detroit, Colorado/Wyoming, Atlanta, Houston, Alabama, Northern New England, Greater South Carolina, South Florida, Lakeland, and Arizona. Alternatively, Defendants may satisfy this paragraph if inspectors from the USPS Office of Inspector General ("OIG") are available to oversee the sweep of processing facilities described in the previous sentence. No later than 4:30 PM EST today, Defendants shall file a status update certifying compliance with this paragraph upon confirming, in the most

		efficient manner available, that sweeps were conducted and that no ballots were left behind. To be clear, the inspectors themselves need not provide any certifications to the Court. It is FURTHER ORDERED that by no later than 4:30 PM EST today, Defendants shall identify the 27 processing centers at which the OIG was onsite and the list of facilities that the Postal Inspectors have observed since October 19, 2020, unless OIG raises an objection to the identification of these sites. 11/03/2020		MINUTE ORDER. In view of 70 Defendants' response to the November 3, 2020 Court order, the Court understands that "'all clears' [or facility sweeps] and successful certifications were conducted at all processing plants this morning by 10 am local time" pursuant to this Court's previous orders. The Court further understands that Postal Inspectors are/will be on site at each processing plant between 4:00 PM and 8:00 PM local time today to conduct the "daily review process" designed "to ensure compliance at the critical period before the polls close." The Court understands "compliance" to mean that the Inspectors will at that time identify and refer Election Mail in staging and non-staging areas to facility managers to resolve as expeditiously as possible. Given the timing, the Court is inclined to let this process continue. Accordingly, the Court DENIES 71 Plaintiff's request for an immediate status conference. Defendants shall be prepared to discuss the apparent lack of compliance with the Court's order at the status conference scheduled for 12:00 PM on November 4, 2020. Signed by Judge Emmet G. Sullivan on 11/3/2020. (lcegs3) (Entered: 11/03/2020)
